

Standing Committee on Copyright and Related Rights

Forty-Fifth Session
Geneva, April 15 to 19, 2024

ANNOTATED AGENDA

prepared by the Secretariat

SCCR BACKGROUND

The WIPO Standing Committee on Copyright and Related Rights (SCCR) was established in 1998, pursuant to a decision of the Assemblies of the Member States of WIPO to establish Standing Committees to take over the functions of existing committees of experts. The SCCR was “to consider emerging issues in this field,” so that “WIPO activities aimed at developing the international system for protecting copyright and related rights will be better harmonized, more thoroughly prepared and more transparent.” (SCCR/1/2). The Committee held its first session in 1998. Its 45th session will be held from April 15-19, 2024.

Notional agenda and flexible approach: This annotated agenda sets out the Secretariat’s estimate of the proposed time allocation for the SCCR, considering the principle of respecting the balance of time among the three main substantive topics on the agenda. As summarized by the Chair at SCCR/44, this annotated agenda reflects the time allocation as follows: “(...) *the time for four and one-half days should be divided equally between broadcasting, limitations and exceptions and other matters, including copyright in the digital environment, the resale royalty right, rights of theatre directors, and the public lending right, after the handling of preliminary, administrative agenda items.*”

For information on the previous session, the Summary by the Chair (SCCR/44/SUMMARY BY THE CHAIR) and Statements submitted for SCCR/44 (SCCR/44/INF/STATEMENTS) are published on the SCCR/44 webpage at https://www.wipo.int/meetings/en/details.jsp?meeting_id=78391.

Since SCCR/42, in accordance with the decision of the General Assembly, the Secretariat is no longer preparing a report. Instead, the record of the previous meeting can be accessed via the WIPO webcast page as a video on demand at <https://webcast.wipo.int/home>. Machine-generated transcripts of the previous meeting are available for download on each session’s webcast page under the download icon on the right.
