(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9
Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the National Institute of Industrial Property of Chile gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the National Institute of Industrial Property of Chile written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

AGREEMENT

between the State Intellectual Property Office of
the People's Republic of China
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the State Intellectual Property Office of
the People's Republic of China
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The State Intellectual Property Office of the People's Republic of China and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the State Intellectual Property Office of the People's Republic of China as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
- (a) "Treaty" means the Patent Cooperation Treaty;
 - (b) "Regulations" means the Regulations under the Treaty;
 - (c) "Administrative Instructions" means the Administrative Instructions under the Treaty;
 - (d) "Article" (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) "Rule" means a Rule of the Regulations;
 - (f) "Contracting State" means a State party to the Treaty;
 - (g) "the Authority" means the State Intellectual Property Office of the People's Republic of China;
 - (h) "the International Bureau" means the International Bureau of the World Intellectual Property Organization.
- (2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9 Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10 Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11 Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the State Intellectual Property Office of the People's Republic of China gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the State Intellectual Property Office of the People's Republic of China written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

AGREEMENT

between the Egyptian Academy of Scientific Research and Technology
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the Egyptian Patent Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Egyptian Academy of Scientific Research and Technology and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Egyptian Patent Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
- (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Egyptian Patent Office;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9 Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10 Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11 Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the Egyptian Academy of Scientific Research and Technology gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Egyptian Academy of Scientific Research and Technology written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

Annex A States and Languages

Under Article 3 of the Agreement, the Authority specifies:

- (i) the following States for which it will act:
 - so far as Article 3(1) is concerned:
 - any African, Asian or Arab Contracting State;
 - so far as Article 3(2) is concerned:
 - any African, Asian and Arab Contracting State.

Where a receiving Office specifies the International Authority under Articles 3(1) and (2), the International Authority shall become competent for international applications filed at that receiving Office from a date to be agreed by the receiving Office and International Authority and to be notified to the International Bureau.
- (ii) the following languages which it will accept:
 - (a) Arabic or English for international applications filed with the receiving Office of, or acting for, any member of the League of Arab States;
 - (b) English for international applications filed with any other receiving Office.

Annex B
Supplementary International Search:
Documentation Covered; Limitations and Conditions

The Authority does not conduct supplementary international searches.

Annex C
Subject Matter Excluded from Search or Examination

The subject matter set forth in Rule 39.1 or 67.1 which, under Article 4 of the Agreement, is not excluded from search or examination.

Annex D
Fees and Charges

Part I. Schedule of Fees and Charges

Kind of fee or charge	Amount (Egyptian pounds)
Search fee (Rule 16.1(a))	4,000 ¹
Additional fee (Rule 40.2(a)):	4,000 ¹
Preliminary examination fee (Rule 58.1(b))	3,000
Late payment fee for preliminary examination	[amount as set out in Rule 58bis.2]
Additional fee (Rule 68.3(a))	3,000

(4) In the cases provided for under Rule 58.3, the amount of the preliminary examination fee paid shall be fully refunded.

(5) Where the international application or the demand is withdrawn before the start of the international preliminary examination, the amount of the preliminary examination fee paid shall be fully refunded.

Annex E Classification

Under Article 6 of the Agreement, the Authority specifies the following classification systems in addition to the International Patent Classification: none.

Annex F Languages of Correspondence

Under Article 7 of the Agreement, the Authority specifies the following languages:

Arabic or English, depending on the language in which the international application is filed or translated.

Annex G International-Type Search

Under Article 8 of the Agreement, the Authority specifies the following extent of international-type searches:

The Authority does not conduct international-type searches.

AGREEMENT

between the European Patent Organisation
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the European Patent Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The European Patent Organisation and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the European Patent Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
- (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the European Patent Office;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2 Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3 Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9
Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the European Patent Organisation gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the European Patent Organisation written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

Done at *[city]*, this *[date]*, in two originals in the English, French and German languages, each text being equally authentic.

Intellectual Property Organization by:

Annex A States and Languages

Under Article 3 of the Agreement, the Authority specifies:

- (i) the following States for which it will act:
 - so far as Article 3(1) is concerned:
any Contracting State;
 - so far as Article 3(2) is concerned:
any Contracting State, under the condition that the Authority or another International Searching Authority located in and operating for any State party to the European Patent Convention has prepared the international search report.

Where a receiving Office specifies the International Authority under Articles 3(1) and (2), the International Authority shall become competent for international applications filed at that receiving Office from a date to be agreed by the receiving Office and International Authority and to be notified to the International Bureau.
- (ii) the following languages which it will accept:
English, French, German, and, where the receiving Office is the industrial property Office of Belgium or the Netherlands, Dutch.

Annex B
Supplementary International Search:
Documentation Covered; Limitations and Conditions

The Authority conducts supplementary international searches as follows:

(1) The Authority will accept requests for supplementary international search based on international applications filed in, or translations furnished into, English, French or German.

(2) The supplementary international search shall cover the documents held in the search collection of the Authority, including, but not limited to, the PCT minimum documentation under Rule 34.

(3) Where applicable, the Authority shall start the supplementary international search in accordance with Rule 45*bis*.5(a) only if a copy of a sequence listing in electronic form complying with the standard provided for in the Administrative Instructions is furnished under Rule 45*bis*.1(c)(ii) and thereafter transmitted to it under Rule 45*bis*.4(e)(iii).

Annex C
Subject Matter Not Excluded from Search or Examination

The subject matter set forth in Rule 39.1 or 67.1 which, under Article 4 of the Agreement, is not excluded from search or examination.

any subject matter which is searched or examined under the patent grant procedure in accordance with the provisions of the European Patent Convention.

Annex D
Fees and Charges

Part I. Schedule of Fees and Charges

Kind of fee or charge	Amount (Euro)
Search fee (Rule 16.1(a))	1,875 ¹
Additional fee (Rule 40.2(a))	1,875 ¹
Supplementary search fees (Rule 45 <i>bis</i> .3(a))	1,875
Preliminary examination fee (Rule 58.1(b))	1,930 ¹
Additional fee (Rule 68.3(a))	1,930 ¹
Protest fee (Rules 40.2(e) and 68.3(e))	875
Review fee (Rule 45 <i>bis</i> .6(c))	875
Late furnishing fee for sequence listings (Rules 13 <i>ter</i> .1(c) and 13 <i>ter</i> .2)	230

Part II. Conditions for and Extent of Refunds or Reductions of Fees

(1) Any amount paid by mistake, without cause, or in excess of the amount due, for fees indicated in Part I shall be refunded.

¹ This fee is reduced by 75% under certain conditions (see decision of the EPO's Administrative Council of October 21, 2008 (OJ EPO 11/08, 521)). See Part II, paragraph (4), for further details.

(2) Where the international application is withdrawn or considered withdrawn, under Article 14(1), (3) or (4), before the start of the international search, the amount of the search fee paid shall be fully refunded.

(3) Where the Authority benefits from the results of an earlier search already made by the Authority on an application whose priority is claimed for the international application and depending on the extent to which an Authority benefits from that earlier search, the search fee paid shall be refunded to the extent provided for in a communication from the Authority to the International Bureau and published in the Gazette.

(4) Where the applicant or, if there are two or more applicants, each applicant is a natural person who is a national and resident of a State not party to the European Patent Convention, which on the date of filing of the application or the demand is classified as a low-income or lower-middle-income economy by the World Bank, the amount of the search fee, the preliminary examination fee and any additional fee to be paid shall be reduced by 75%. Where the Authority is informed of a change under Rule 92*bis* before the start of the international search or, if a demand for international preliminary examination is filed, before the start of international preliminary examination, and the change would modify the applicability of the fee reduction, the Authority may request the applicant to pay the full amount of the search fee or preliminary examination fee before the Authority starts the search or preliminary examination, respectively, and the Authority will request the full amount of any additional fees that the applicant may be invited to pay.

(5) In the cases provided for under Rule 58.3, the amount of the preliminary examination fee paid shall be fully refunded.

(6) Where the international application or the demand is withdrawn before the start of the international preliminary examination, the amount of the preliminary examination fee paid shall be fully refunded.

(7) The Authority shall refund the supplementary search fee if, before it has started the supplementary international search in accordance with Rule 45*bis*.5(a), the supplementary search request is considered not to have been submitted under Rule 45*bis*.5(g).

(8) The Authority shall refund the supplementary search fee if, after receipt of the documents specified in Rule 45*bis*.4(e)(i) to (iv), but before it has started the supplementary international search in accordance with Rule 45*bis*.5(a), it is notified of the withdrawal of the international application or the supplementary search request.

Annex E Classification

Under Article 6 of the Agreement, the Authority specifies the following classification system in addition to the International Patent Classification: the Cooperative Patent Classification (CPC).

Annex F Languages of Correspondence

Under Article 7 of the Agreement, the Authority specifies the following languages:

English, French or German, depending on the language in which the international application is filed or translated.

Annex G

International-Type Search

Under Article 8 of the Agreement, the Authority specifies the following extent of international-type searches:

The Authority conducts international-type searches as follows:

An international-type search report (without a written opinion) is drawn up by the Authority on behalf of certain national Offices (e.g. Switzerland, Denmark and Norway) on the basis of the national law of the State for which the Office operates. The amount of the fee to be paid for an international-type search is laid down by the President of the European Patent Office in a decision under Article 3(1) of the Rules relating to Fees published in the Official Journal of the EPO.

An international-type search report accompanied by a written opinion is drawn up by the Authority on behalf of certain national Offices (e.g. Netherlands and Belgium) on the basis of a bilateral working agreement. The amount of the fee to be paid for an international-type search accompanied by a written opinion is set by the national Offices concerned.

AGREEMENT

between the Spanish Patent and Trademark Office
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the Spanish Patent and Trademark Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Spanish Patent and Trademark Office and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Spanish Patent and Trademark Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
- (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Spanish Patent and Trademark Office;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2 Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3 Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9
Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the Spanish Patent and Trademark Office gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Spanish Patent and Trademark Office written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

(1) Any amount paid by mistake, without cause, or in excess of the amount due, for fees indicated in Part I shall be refunded.

(2) Where the international application is withdrawn or considered withdrawn, under Article 14(1), (3) or (4), before the start of the international search, the amount of the search fee paid shall be fully refunded.

(3) Where the Authority benefits from the results of an earlier search already made by the Authority on an application whose priority is claimed for the international application, 100 or 50 % of the amount of the search fee paid shall be refunded on request of the applicant, depending on the extent to which an Authority benefits from that earlier search.

(4) In the cases provided for under Rule 58.3, the amount of the preliminary examination fee paid shall be fully refunded.

¹ This fee is reduced by 75% where the applicant or, if there are two or more applicants, each applicant is a natural person or a legal entity and is a national of and resides in a State not party to the European Patent Convention and which is classified by the World Bank in the group of countries of "low income", "lower middle income" or "upper middle income".

(5) Where the international application or the demand is withdrawn before the start of the international preliminary examination, the amount of the preliminary examination fee paid shall be fully refunded.

Annex E Classification

Under Article 6 of the Agreement, the Authority specifies the following classification system(s) in addition to the International Patent Classification: Cooperative Patent Classification (CPC).

Annex F Languages of Correspondence

Under Article 7 of the Agreement, the Authority specifies the following languages:
Spanish, English.

Annex G International-Type Search

Under Article 8 of the Agreement, the Authority specifies the following extent of international-type searches:

The Authority does not conduct international-type searches.

AGREEMENT

between the Finnish Patent and Registration Office
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the Finnish Patent and Registration Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Finnish Patent and Registration Office and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Finnish Patent and Registration Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
- (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Finnish Patent and Registration Office;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2 Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3 Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9 Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10 Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11 Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the Finnish Patent and Registration Office gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Finnish Patent and Registration Office written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

Annex A States and Languages

Under Article 3 of the Agreement, the Authority specifies:

- (i) the following States for which it will act:
 - so far as Article 3(1) is concerned:
any Contracting State in accordance with the obligations of Finland within the framework of the European Patent Organisation;
 - so far as Article 3(2) is concerned:
any Contracting State in accordance with the obligations of Finland within the framework of the European Patent Organisation.

Where a receiving Office specifies the International Authority under Articles 3(1) and (2), the International Authority shall become competent for international applications filed at that receiving Office from a date to be agreed by the receiving Office and International Authority and to be notified to the International Bureau.
- (ii) the following languages which it will accept:
Finnish, Swedish, English.

Annex B
Supplementary International Search:
Documentation Covered; Limitations and Conditions

The Authority conducts supplementary international searches as follows:

(1) The Authority will accept requests for supplementary international search based on international applications filed in, or translations furnished into, English, Finnish or Swedish.

(2) The supplementary international search shall cover, in addition to the PCT minimum documentation under Rule 34, at least the documents in Finnish, Swedish, Norwegian or Danish held in the search collection of the Authority.

(3) The Authority will notify the International Bureau if the demand for supplementary international search clearly exceeds the resources available and also when normal conditions have been re-established.

Annex C
Subject Matter Not Excluded from Search or Examination

The subject matter set forth in Rule 39.1 or 67.1 which, under Article 4 of the Agreement, is not excluded from search or examination, is the following:

any subject matter which is searched or examined under the patent grant procedure in accordance with the provisions of Finnish patent law.

Annex D
Fees and Charges

Part I. Schedule of Fees and Charges

Kind of fee or charge	Amount (Euro)

(1) Any amount paid by mistake, without cause, or in excess of the amount due, for fees indicated in Part I shall be refunded.

¹ The applicant receives, together with the international search report, the supplementary international search report, the written opinion of the International Preliminary Examining Authority or the international preliminary examination report, a copy of each document cited therein, free of charge.

(2) Where the international application is withdrawn or considered withdrawn, under Article 14(1), (3) or (4), before the start of the international search, the amount of the search fee paid shall be fully refunded.

(3) Where the Authority benefits from the results of an earlier national search, international search, supplementary international search or international-type search already carried out by the Authority, a Nordic patent authority or the European Patent Office on an application whose priority is claimed for the international application, 300 euro of the search fee paid shall be refunded.

(4) In the cases provided for under Rule 58.3, the amount of the preliminary examination fee paid shall be fully refunded.

(5) Where the international application or the demand is withdrawn before the start of the international preliminary examination, the amount of the preliminary examination fee paid shall be fully refunded.

(6) The Authority shall refund the supplementary search fee if, before it has started the supplementary international search in accordance with Rule 45*bis*.5(a), the supplementary search request is considered not to have been submitted.

(7) The Authority shall refund the supplementary search fee if, after receipt of the documents specified in Rule 45*bis*.4(e)(i) to (iv), but before it has started the supplementary international search in accordance with Rule 45*bis*.5(a), it is notified of the withdrawal of the international application or the supplementary search request.

Annex E Classification

Under Article 6 of the Agreement, the Authority specifies the following classification systems in addition to the International Patent Classification: none.

Annex F Languages of Correspondence

Under Article 7 of the Agreement, the Authority specifies the following languages:

Finnish, Swedish or English

depending on the language in which the international application is filed or translated.

Annex G International-Type Search

Under Article 8 of the Agreement, the Authority specifies the following extent of international-type searches:

The Authority conducts international-type searches as follows:

International-type searches on national applications filed at the Authority.

AGREEMENT

between the Government of Israel
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the Israel Patent Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Government of Israel and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Israel Patent Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
 - (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Israel Patent Office;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2 Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3 Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9
Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the Government of Israel gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Government of Israel written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

AGREEMENT

between the Indian Patent Office
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the Indian Patent Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Indian Patent Office and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Indian Patent Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
- (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Indian Patent Office;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9
Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the Indian Patent Office gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Indian Patent Office written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

AGREEMENT

between the Japan Patent Office
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the Japan Patent Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Japan Patent Office and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Japan Patent Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
 - (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Japan Patent Office;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9
Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the Japan Patent Office gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Japan Patent Office written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

AGREEMENT

between the Korean Intellectual Property Office
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the Korean Intellectual Property Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Korean Intellectual Property Office and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Korean Intellectual Property Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
- (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Korean Intellectual Property Office;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

AGREEMENT

between the Russian Federal Service for Intellectual Property
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the Russian Federal Service
for Intellectual Property as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Russian Federal Service for Intellectual Property and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Russian Federal Service for Intellectual Property as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
 - (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Russian Federal Service for Intellectual Property;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2 Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3 Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9
Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the Russian Federal Service for Intellectual Property gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Russian Federal Service for Intellectual Property written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

Done at *[city]*, this *[date]*, in two originals in the English and Russian languages, each text being equally authentic.

AGREEMENT

between the Swedish Patent and Registration Office
and the International Bureau of the World Intellectual Property Organization
in relation to the functioning of the Swedish Patent and Registration Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Swedish Patent and Registration Office and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Swedish Patent and Registration Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
- (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Swedish Patent and Registration Office;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9
Entry into Force

This Agreement shall enter into force on January 1, 2018.

Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the Swedish Patent and Registration Office gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Swedish Patent and Registration Office written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

(1) Any amount paid by mistake, without cause, or in excess of the amount due, for fees indicated in Part I shall be refunded.

(2) Where the international application is withdrawn or considered withdrawn, under Article 14(1), (3) or (4), before the start of the international search, the amount of the search fee paid shall be fully refunded.

(3) Where the Authority benefits from the results of an earlier international or international-type search carried out by the Authority, 50 or 100% of the amount of the search fee paid shall be refunded, depending on the extent to which an Authority benefits from that earlier search.

(4) Where an applicant submits a corresponding search and examination report, issued on an application originating from the Authority, a Nordic Patent Office, or the European Patent Office, the amount of 2,800 Swedish kronor shall be refunded in respect of the search fee paid according to Part I. The same refund will be applied if priority is claimed from an international application and the applicant submits a PCT international search report from the National Board of Patents and Registration of Finland, the Nordic Patent Institute or the European Patent Office, or if the applicant submits a corresponding international-type search report from the National Board of Patents and Registration of Finland or the Nordic Patent Institute.

(5) In the cases provided for under Rule 58.3, the following amount of the preliminary examination fee shall be refunded:

- (a) refund of the full amount paid where Rule 54.4, 54bis.1(b) or 58bis.1(b) applies;
- (b) refund of the amount paid less the current amount of the transmittal fee, where Rule 60.1(c) applies.

¹ Swedish kronor equivalent of the euro amount of the search fee (Rule 16.1(a)) payable to the European Patent Office as International Searching Authority, as modified from time to time in accordance with the directives under Rule 16.1(d).

² The applicant will receive free of charge a copy of each document containing non-patent literature. Other documents are available electronically, free of charge on the website www.prv.se.

(6) Where the international application or the demand is withdrawn before the start of the international preliminary examination, the amount of the preliminary examination fee paid shall be fully refunded.

(7) The Authority shall refund the supplementary search fee if, before it has started the supplementary international search in accordance with Rule 45*bis*.5(a), the supplementary search request is considered not to have been submitted.

(8) The Authority shall refund the supplementary search fee if, after receipt of the documents specified in Rule 45*bis*.4(e)(i) to (iv), but before it has started the supplementary international search in accordance with Rule 45*bis*.5(a), it is notified of the withdrawal of the international application or the supplementary search request.

Annex E Classification

Under Article 6 of the Agreement, the Authority specifies the following classification systems in addition to the International Patent Classification: none.

Annex F Languages of Correspondence

Under Article 7 of the Agreement, the Authority specifies the following languages:

Danish, English, Finnish, French, Norwegian or Swedish,

depending on the language in which the international application is filed or translated; however English or Swedish may be used in all cases.

Annex G International-Type Search

Under Article 8 of the Agreement, the Authority specifies the following extent of international-type searches:

The Authority conducts international-type searches as follows:

International-type searches on national applications filed at the Authority or any Nordic patent authority. The request and fee for international type search must be submitted within three months of the filing date of the national application.

AGREEMENT

between the Intellectual Property Office of Singapore
and the International Bureau of the World Intellectual Property Organization
in relation to the functioning of the Intellectual Property Office of Singapore
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Intellectual Property Office of Singapore and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Intellectual Property Office of Singapore as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
- (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Intellectual Property Office of Singapore;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9
Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the Intellectual Property Office of Singapore gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Intellectual Property Office of Singapore written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

Annex A States and Languages

Under Article 3 of the Agreement, the Authority specifies:

- (i) the following States for which it will act:
 - so far as Article 3(1) is concerned:
Singapore, Cambodia, Indonesia, Japan, Mexico, Thailand, United States of America, Viet Nam;
 - so far as Article 3(2) is concerned:
where the Authority has prepared the international search report,
Singapore, Cambodia, Indonesia, Japan, Mexico, Thailand, United States of America, Viet Nam.

Where a receiving Office specifies the International Authority under Articles 3(1) and (2), the International Authority shall become competent for international applications filed at that receiving Office from a date to be agreed by the receiving Office and International Authority and to be notified to the International Bureau.
- (ii) the following languages which it will accept:
English, Chinese.

Annex B
Supplementary International Search:
Documentation Covered; Limitations and Conditions

The Authority conducts supplementary international searches as follows:

(1) The Authority will accept requests for supplementary international search based on international applications filed in, or translations thereof furnished in, English or Chinese.

(2) The supplementary international search shall cover, in addition to the PCT minimum documentation under Rule 34, at least the documents in English and Chinese held in the search collection of the Authority.

(3) The Authority will notify the International Bureau if the demand for supplementary international search clearly exceeds the resources available and also when normal conditions have been re-established.

Annex C
Subject Matter Not Excluded from Search or Examination

The subject matter set forth in Rule 39.1 or 67.1 which, under Article 4 of the Agreement, is not excluded from search or examination is the following:

any subject matter which is searched or examined under the patent grant procedure in accordance with the provisions of Singapore patent law.

The Authority does not conduct international-type searches.

AGREEMENT

between the Turkish Patent and Trademark Office
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the Turkish Patent and Trademark Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Turkish Patent and Trademark Office and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Turkish Patent and Trademark Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
- (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Turkish Patent and Trademark Office;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9 Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10 Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11 Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the Turkish Patent and Trademark Office gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Turkish Patent and Trademark Office written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

Article 3 Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9
Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Ministry of Economic Development and Trade of Ukraine; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Ministry of Economic Development and Trade of Ukraine may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the Ministry of Economic Development and Trade of Ukraine gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Ministry of Economic Development and Trade of Ukraine written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

Annex A States and Languages

Under Article 3 of the Agreement, the Authority specifies:

- (i) the following States for which it will act:

so far as Article 3(1) is concerned:

any Contracting State;

so far as Article 3(2) is concerned:

any Contracting State.

Where a receiving Office specifies the International Authority under Articles 3(1) and (2), the International Authority shall become competent for international applications filed at that receiving Office from a date to be agreed by the receiving Office and International Authority and to be notified to the International Bureau.

- (ii) the following languages which it will accept:
English, French, German, Russian, Ukrainian.

Annex B
Supplementary International Search:
Documentation Covered; Limitations and Conditions

The Authority conducts supplementary international searches as follows:

(1) The Authority will accept requests for supplementary international search based on international applications filed in, or translations furnished into, English, French, German, Russian or Ukrainian.

(2) The supplementary international search shall cover at least one of the following levels of search:

- (i) the documents held in the search collection of the Authority including, but not limited to, the PCT minimum documentation under Rule 34;
- (ii) European and North American documentation;
- (iii) Russian language documentation of the former USSR and Ukrainian language documentation.

(3) If the International Searching Authority competent for the main international search has issued a declaration referred to in Article 17(2)(a) because of subject matter referred to in Rule 39.1(iv), and the appropriate fee referred to in Annex D is paid, the supplementary international search shall cover at least the PCT minimum documentation under Rule 34 in addition to the documentation referred to in paragraph (2) of this Annex.

(4) The Ministry of Economic Development and Trade of Ukraine shall notify the International Bureau if a demand for supplementary international search exceeds resources available to the Authority and also when normal conditions have been reestablished.

Annex C
Subject Matter Not Excluded from Search or Examination

The subject matter set forth in Rule 39.1 or 67.1 which, under Article 4 of the Agreement, is not excluded from search or examination is the following:

any subject matter which is searched or examined under the patent grant procedure in accordance with the provisions of Law of Ukraine On the Protection of Rights to Inventions and Utility Models.

Under Article 8 of the Agreement, the Authority specifies the following extent of international-type searches:

The Authority does not conduct international-type searches.

AGREEMENT

between the United States Patent and Trademark Office
and the International Bureau of the World Intellectual Property Organization
in relation to the functioning of the United States Patent and Trademark Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The United States Patent and Trademark Office and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the United States Patent and Trademark Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
 - (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the United States Patent and Trademark Office;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

- (2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9 Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10 Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11 Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and

- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the United States Patent and Trademark Office gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the United States Patent and Trademark Office written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

AGREEMENT

between the Nordic Patent Institute
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the Nordic Patent Institute
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Nordic Patent Institute and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Nordic Patent Institute as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
- (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Nordic Patent Institute;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9
Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and
- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the Nordic Patent Institute gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Nordic Patent Institute written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

AGREEMENT

between the Visegrad Patent Institute
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the Visegrad Patent Institute
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Visegrad Patent Institute and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Visegrad Patent Institute as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
 - (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Visegrad Patent Institute;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6

Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7

Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8

International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9
Entry into Force

This Agreement shall enter into force on January 1, 2018.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and
- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2027:
 - (i) if the Visegrad Patent Institute gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Visegrad Patent Institute written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

MEETINGS OF THE INTERNATIONAL PATENT COOPERATION UNION – ASSEMBLY (FORTY-NINTH (21ST ORDINARY) SESSION)

NOTE PREPARED BY THE INTERNATIONAL BUREAU

At its forty-ninth (21st ordinary) session, which was held in Geneva from 2 to 11 October 2017 as part of the meetings of the Assemblies of the Member States of WIPO, the Assembly of the International Patent Cooperation Union (PCT Union) approved the following changes affecting the PCT system:

- amendments to the PCT Regulations;
- adoption of the Understanding (see paragraph 3 of PCT/A/49/4) with effect since October 11, 2017; and
- appointment of a new International Searching and Preliminary Examining Authority.

Documents which were prepared for the Assembly, and which give detailed background information relating to the decisions that were taken, as well as the report of the session, are available on the WIPO website at:

http://www.wipo.int/meetings/en/details.jsp?meeting_id=43524

The aforementioned changes are outlined below.

Amendments to the PCT Regulations

A number of amendments to the PCT Regulations were approved by the PCT Assembly. The said amendments will enter into force on 1 July 2018:

- the amendment to the Schedule of Fees is intended as a clarification of the original intent of the fee reduction rather than a substantive change;
- amendments of Rules 4.1(b)(ii) and 41.2(b) and of the Schedule of Fees shall apply to any international application the international filing date of which is on or after 1 July 2018.

Appointment of the Intellectual Property Office of the Philippines as an International Searching and Preliminary Examining Authority under the PCT

The Assembly appointed the Intellectual Property Office of the Philippines as an International Searching Authority and an International Preliminary Examining Authority with effect from the entry into force of the Agreement until 31 December 2027.

2017 PCT Assembly Understanding

It is the understanding of the PCT Assembly that the fee reduction in item 5 of the Schedule of Fees is intended to apply only in the case where the applicants indicated in the request are the sole and true owners of the application and under no obligation to assign, grant, convey or license the rights in the invention to another party which is not eligible for the fee reduction.

The Understanding was adopted with effect from the closing of the Assembly on October 11, 2017.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

HR Croatia

Under PCT Rule 89*bis*.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the **State Intellectual Property Office (Croatia)**, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notification published in the Official Notices (PCT Gazette) of 20 December 2012, pages 180 *et seq*, and, in particular, that it is prepared to accept international applications filed using ePCT-filing in addition to EPO online filing, and will no longer accept international applications in electronic form filed on physical media and using the PCT-SAFE software, with effect from 1 March 2018. Consequently, as from that date, the following notification will replace aforementioned notification:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JPEG (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-filing
- EPO online filing software

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string types of signatures (see Annex F, sections 3.3.1 to 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by telephone at: (385-1) 61 06 547
- by fax at: (385-1) 61 12 017
- by e-mail at: epct_hr@dziv.hr

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software.

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.dziv.hr/hr).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)
- Certification Authority (CA) for the European Patent Office (www.epoline.org/security/EPO_PKI_CPS.pdf)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using ePCT.”

RS Serbia

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 12 February 2018, the **Intellectual Property Office (Serbia)**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect from 1 March 2018, as follows:

“As to electronic document formats (Section 710(a)(i)):

The **European Patent Office (EPO)** has notified changes to the conditions for refund of the search fee where the international search report drawn up by the Office is based on an earlier search report prepared by the Office on an application whose priority is claimed for the international application – since 1 December 2017, earlier searches give rise to a refund as follows:

³ The applicant receives, together with the international search report, a copy of each cited document that is not a US patent document or a published international application. The applicant receives, together with the international preliminary examination report, a copy of each cited document not cited in the international search report that is not US patent document or a published international application. Electronic copies of these documents may be viewed at the USPTO's website (www.uspto.gov/patents-application-process/search-patents) and printed for free. Copies can also be purchased online or obtained from the USPTO Office of Public Records.

– for a European search (EPC Article 92), an international search (PCT Article 15(1)), a supplementary international search (PCT Rule 45*bis*) or a search made on behalf of a national Office on a national application (BE,⁴ CY, FR, GR, IT, LT, LU, LV,⁵ MC,⁵ MT, NL,⁴ SM, TR):

– full benefit: refund of 100%

– partial benefit: refund of 25%

– for an international-type search (PCT Article 15(5)):

– full benefit: refund of 70%

– partial benefit: refund of 17.5%

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

SE Sweden

Under PCT Rule 89*bis*.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the **Swedish Patent and Registration Office**, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notification published in the Official Notifications (PCT Gazette) of 20 February 2014, pages 28 to 30, and in particular, that it will no longer accept international applications in electronic form filed using PCT-SAFE software, with effect from 1 August 2018. Consequently, as from that date, the following notification will replace the aforementioned notification:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-filing
- epoline® software

As to types of electronic signature (Section 710(a)(i)):

- facsimile or text string signatures (see Annex F, sections 3.3.1 and 3.3.2, and Appendix III, section 2(i))
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is available on the website www.prv.se.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk will be available between 8.00 a.m. and 4.40 p.m. (15 September – 14 May) and between 8.00 a.m. and 4.00 p.m. (15 May – 14 September) CET (Central European Time), Monday to Friday, excluding Swedish public holidays. The help desk may be contacted:

- by phone at: +46 (0) 8 782 26 00
- by e-mail at: biblioteket@prv.se

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, including the demand, as supported by the relevant software.

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application. Documents should preferably not be password protected.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available to inform the applicant about procedures to follow as alternatives. Find more information on www.prv.se/en/.

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- European Patent Office CA (www.epoline.org/portal/public)
- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

No online file inspection by applicants is provided for at present.”

NOTIFICATIONS BY PARTICIPATING OFFICES AND AUTHORITIES**

In order to facilitate access to priority documents, the International Bureau established the Digital Access Service for Priority Documents (“DAS”), based on a decision taken in 2006 by the Paris Union Assembly, the PLT Assembly and the PCT Union Assembly.

Since April 2009, the International Bureau, and any Office or Authority having the adequate legal and technical requirements in place, is able to participate in DAS, either as an office of first filing (“depositing Office”) or as an office of second filing (“accessing Office”), or both, in order to facilitate access to priority documents (PCT Rule 17) in a wide variety of media and formats.

Notifications made under Section 715(a)(i) or (b) of the Administrative Instructions under the PCT are published by the International Bureau at: http://www.wipo.int/das/en/participating_offices.html.

INTERNATIONAL BUREAU

Non-Working Days

For the purposes of computing time limits under PCT Rule 80.5, it is to be noted that the days on which **the International Bureau will not be open for business** are, for the period from 1 January to 31 December 2019, the following:

all Saturdays and Sundays and
 1 January 2019,
 19 and 22 April 2019,
 30 May 2019,
 10 June 2019,
 5 September 2019,
 25 and 31 December 2019.

It is important to note that the days indicated above concern **only the International Bureau** and **not** the national Offices and other intergovernmental organizations.

Note Concerning PCT Receiving Office Guidelines

Having erroneously omitted paragraph 116E from the PCT Receiving Office Guidelines (see documents PCT/GL/RO/16 promulgated by the International Bureau on 1 July 2017, and PCT/GL/RO/17 promulgated on 1 July 2018 and in force as from that date, respectively), the International Bureau has published document **PCT/GL/RO/17 CORR.** to rectify the error.

Consequential to the reintroduction of paragraph 116E, that paragraph is numbered 116F, and current paragraphs 116F and 116G are renumbered 116G and 116H, respectively.

AMENDMENT TO THE AGREEMENT

between the Canadian Commissioner of Patents
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the Canadian Commissioner of Patents
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Canadian Commissioner of Patents and the International Bureau of the World Intellectual Property Organization,

Considering that the Agreement between the Canadian Commissioner of Patents and the International Bureau of WIPO in relation to the functioning of the Canadian Commissioner of Patents as an International Searching Authority and International Preliminary Examining Authority under the Patent Cooperation Treaty (PCT) of December 13, 2007 (the Agreement), made under PCT Articles 16(3)(b) and 32(3), was concluded for a period of 10 years from January 1, 2008 to December 31, 2017,

Considering that the said Agreement has been amended in 2010, these amendments having been published in the PCT Gazette on July 22, 2010,

Considering that the Canadian Commissioner of Patents and the International Bureau of WIPO have already started negotiations for a new Agreement as provided under Article 10 therein,

Considering that an Amendment to the said Agreement was signed on October 30, 2017 and December 13, 2017 to extend the said Agreement until December 31, 2018 or until the day before the entry into force of the said new Agreement on the same subject matter in accordance with PCT Articles 16(3)(b) and 32(3), said Amendment having been published in the PCT Gazette on January 18, 2018,

Recognizing that the Government of Canada will not be able to complete the necessary domestic procedures to ratify a new Agreement in relation to the functioning of the Canadian Commissioner of Patents as an International Searching Authority and International Preliminary Examining Authority under the Patent Cooperation Treaty, prior to the expiration of the extended Agreement on December 31, 2018;

Hereby agree as follows:

Article 1
Extension of the Agreement

(1) The Agreement between the Canadian Commissioner of Patents and the International Bureau of WIPO signed on December 13, 2007, including its amendments and Annexes, is hereby further extended until December 31, 2019, or until the day before the entry into force of a new Agreement on the same subject matter in accordance with PCT Articles 16(3)(b) and 32(3) and with the domestic legal and constitutional procedures of Canada, whichever is sooner.

(2) Consequently, references made to “December 31, 2018” under Articles 10 and 12 of the Agreement are amended to “December 31, 2019”, accordingly.

Article 2
Approval and entry into force

(1) In accordance with Article 11(1) of the Agreement, this amendment shall be subject to the approval of the Assembly of the International Patent Cooperation Union.

(2) Subject to paragraph 1 of this Article, this amendment shall take effect on December 31, 2018.

In witness whereof the parties hereto have executed this Agreement.

Done at Geneva, this twenty-eighth day of September two thousand and eighteen, in two originals in the English and French languages, each text being equally authentic.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

CR Costa Rica

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 31 October 2018, the **Registry of Industrial Property (Costa Rica)**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713 of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect from 1 December 2018, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JPEG (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string types of signatures (see Annex F, sections 3.3.1 to 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by telephone at: (506) 2234 1537, (506) 2202 0895
- by fax: (506) 2234 1537
- by e-mail at: ljimenezs@rnp.go.cr; cmena@rnp.go.cr; or kquesada@rnp.go.cr

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software.

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (http://www.rnpdigital.com/propiedad_industrial/index.htm).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)
- Certification Authority (CA) for the European Patent Office (www.epoline.org/security/EPO_PKI_CPS.pdf)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using ePCT.”

**Agreement between the Government of Australia
and the International Bureau of the World Intellectual Property Organization**

in relation to the functioning of the Australian Patent Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Government of Australia and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Australian Patent Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

**Article 1
Terms and Expressions**

- (1) For the purposes of this Agreement:
 - (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Australian Patent Office;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2 Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3 Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis* to the extent decided by it, as set out in Annex B to this Agreement.

Article 4 **Subject Matter Not Required to Be Searched or Examined**

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex C to this Agreement.

Article 5 **Fees and Charges**

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex D to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex D to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6
Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate the classification of the subject matter according to the International Patent Classification. The Authority may, in addition, in accordance with Rules 43.3 and 70.5, indicate the classification of the subject matter according to any other patent classification specified in Annex E to this Agreement to the extent decided by it as set out in that Annex.

Article 7
Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex F.

Article 8
International-Type Search

The Authority shall carry out international-type searches to the extent decided by it as set out in Annex G to this Agreement.

Article 9
Entry into Force

This Agreement shall enter into force on January 1, 2019.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2027. The parties to this Agreement shall, no later than July 2026, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the indications on supplementary international searches contained in Annex B to this Agreement;
- (iii) amend the schedule of fees and charges contained in Annex D to this Agreement;
- (iv) amend the indications on patent classification systems contained in Annex E to this Agreement;
- (v) amend the indications on languages of correspondence contained in Annex F to this Agreement;
- (vi) amend the indications on international-type searches contained in Annex G to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that:

- (i) for an amendment to Annex B to the effect that the Authority shall no longer conduct supplementary international searches, that date is at least six months later than the date on which the notification is received by the International Bureau, and
- (ii) for any change in the currency or amount of fees or charges contained in Annex D, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex D, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

(1) This Agreement shall terminate before December 31, 2027:

- (i) if the Government of Australia gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
- (ii) if the Director General of the World Intellectual Property Organization gives the Government of Australia written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

Done at Geneva, this 29th day of October 2018 in two originals in the English language.

- (ii) [no change]”

MODIFICATIONS OF THE ADMINISTRATIVE INSTRUCTIONS UNDER THE PCT

NOTE PREPARED BY THE INTERNATIONAL BUREAU

Following consultation with interested Offices and Authorities pursuant to PCT Rule 89.2(b), modifications to Sections 218, 315 and 413 of the Administrative Instructions under the PCT, as set out below, are promulgated with effect since 15 December 2016.

The main purpose of these modifications is to propose further guidance on how to deal with incoming requests to:

(i) omit certain information from publication and/or public file access (Rules 48.2 and 94); and

(ii) not to transmit copies of certain documents received by a receiving office in the context of a request for restoration of the right of priority (Rule 26*bis*.3).

TEXT OF THE MODIFICATIONS OF THE ADMINISTRATIVE INSTRUCTIONS
(as in force from 15 December 2016)

Section 218
Processing of a Request for Omission of Information Referred to in
Rules 48.2(I) and 94.1(e)

(a) Where the International Bureau decides to omit information from international publication under Rule 48.2(I) or not to provide access to information contained in its file under Rule 94.1(e), it shall:

(i) indelibly mark, in the upper right-hand corner of each replacement sheet, the international application number and the date on which that sheet was received;

(ii) indelibly mark, in the middle of the bottom margin of each replacement sheet, the words “SUBSTITUTE SHEET (RULE 48.2(I))” (where the replacement sheet contains an omission under Rule 48.2(I)) or “SUBSTITUTE SHEET (RULE 94.1(e))” (where the replacement sheet contains an omission under Rule 94.1(e)) or their equivalent in the language of publication of the international application;

(iii) indelibly mark on the letter containing the omission or accompanying any replacement sheet the date on which that letter was received;

(iv) keep in its files the letter containing the proposed omission or, where the proposed omission is contained in a replacement sheet, the replaced sheet, the letter accompanying the replacement sheet, and the replacement sheet;

(v) promptly transmit a copy of any replacement sheet to the receiving Office, the International Searching Authority, the Authority specified for supplementary search or the International Preliminary Examining Authority (where the replaced sheet is also contained in the file of the international application held by that Office or Authority).

(b) Where the International Bureau decides not to omit information from international publication under Rule 48.2(I) or to provide access to information contained in its file under Rule 94.1(e), it shall proceed as indicated under paragraph (a)(i), (iii) and (iv).

(c) Section 311, paragraphs (a) to (c) shall apply *mutatis mutandis* to any deletion, substitution or addition of a sheet of the international application received by the International Bureau.

Section 315

Processing of Documents by the Receiving Office under Rule 26bis.3(h-bis)

(a) Where the receiving Office receives a request under Rule 26bis.3(h-bis) and decides not to transmit a document or part thereof to the International Bureau, it shall

(i) indelibly mark on the request under Rule 26bis.3(h-bis) the date on which that request was received;

(ii) indelibly mark, in the upper right-hand corner of each replacement sheet received, the international application number and the date on which that sheet was received;

(iii) indelibly mark, in the middle of the bottom margin of each replacement sheet received, the words “SUBSTITUTE SHEET (RULE 26bis.3(h-bis))” or their equivalent in the language of publication of the international application;

(iv) keep in its files a copy of the request under Rule 26bis.3(h-bis), and, where applicable, the replaced sheet, and a copy of the replacement sheet;

(v) promptly transmit any replacement sheet to the International Bureau.

(b) Where the receiving Office receives a request under Rule 26bis.3(h-bis) and finds that information in a part of a document meets the requirements in this Rule, but the receiving Office has not received a replacement sheet from the applicant in which that part has been removed, it may decide not to transmit the entire document or part thereof to the International Bureau and proceed as indicated under paragraph (a)(i) and (iv) as applicable, or invite the applicant to submit such a replacement sheet. Where the applicant submits a replacement sheet within the time limit set by the receiving Office, the receiving Office proceeds as indicated under paragraph (a). Where the applicant does not submit a replacement sheet within the time limit set by the receiving Office, the receiving Office may either transmit the document containing that part and the request under Rule 26bis.3(h-bis) to the International Bureau, or decide not to transmit the entire document or part thereof to the International Bureau under Rule 26bis.3(h-bis).

(c) Where the receiving Office finds on its own decision that information in a part of a document meets the requirements in Rule 26bis.3(h-bis), it may either invite the applicant to submit a replacement sheet in which that part has been removed and proceed as indicated under paragraph (b), or decide not to transmit the entire document or part thereof to the International Bureau.

(d) Where the receiving Office receives a request under Rule 26bis.3(h-bis), but nevertheless decides to transmit that document or part thereof to the International Bureau, it shall proceed as indicated under paragraph (a)(i), (ii) and (iv), and promptly transmit the request under Rule 26bis.3(h-bis) and any proposed replacement sheet to the International Bureau.

Section 413
Incorporations by Reference under Rule 20, Corrections of Defects
under Rule 26.4 and Rectifications of Obvious Mistakes under Rule 91

(a) Where the International Bureau receives from the receiving Office a letter containing a correction of any defects under Rule 26.4, or a replacement sheet and the letter accompanying it, the International Bureau shall transfer the correction to the record copy, together with the indication of the date on which the receiving Office received the letter, or shall insert the replacement sheet in the record copy. Any letter and any replaced sheet shall be kept in the file of the international application.

(b) Paragraph (a) shall apply *mutatis mutandis* to rectifications of obvious mistakes under Rule 91 authorized by the receiving Office, by the International Searching Authority or, where a demand has been made, by the International Preliminary Examining Authority.

(b-bis) Where the International Bureau receives from the receiving Office, under Sections 309(c)(iv), 310(b)(iv), or 310bis(b)(v), corrected sheets of the request or later submitted sheets, the International Bureau shall transfer any correction to the record copy and insert any later submitted sheets in the record copy.

(c) Where the International Bureau is notified by the International Searching Authority under Rule 43.6bis(b) that the rectification of an obvious mistake authorized under Rule 91 has not been taken into account for the purposes of the international search, the International Bureau shall notify the designated Offices and, where a demand has been made, the International Preliminary Examining Authority accordingly.

(d) Where the International Bureau is notified by the International Preliminary Examining Authority under Rule 70.2(e) that the rectification of an obvious mistake authorized under Rule 91 has not been taken into account for the purposes of the international preliminary examination, the International Bureau shall notify the elected Offices accordingly.

MEETINGS OF THE INTERNATIONAL PATENT COOPERATION UNION – ASSEMBLY (FORTY-EIGHTH (28TH EXTRAORDINARY) SESSION)

NOTE PREPARED BY THE INTERNATIONAL BUREAU

At its forty-eighth (28th extraordinary) session, which was held in Geneva from 3 to 11 October 2016 as part of the meetings of the Assemblies of the Member States of WIPO, the Assembly of the International Patent Cooperation Union (PCT Union) approved the following changes affecting the PCT system:

- amendments to the PCT Regulations; and
- appointment of a new International Searching and Preliminary Examining Authority.

Documents which were prepared for the Assembly, and which give detailed background information relating to the decisions that were taken, as well as the report of the session, are available on the WIPO website at:

http://www.wipo.int/meetings/en/details.jsp?meeting_id=39951

The aforementioned changes are outlined below.

Amendments to the PCT Regulations

A number of amendments to the PCT Regulations were approved by the PCT Assembly. The said amendments will enter into force on 1 July 2017:

- amendments of Rules 4.10, 23*bis*.2 and 51*bis*.1 which shall apply to any international application whose international filing date is on or after 1 July 2017;
- amendment of Rule 45*bis*.1(a) shall apply to any international application, irrespective of its international filing date, in respect of which the time limit for filing a request for supplementary international search under Rule 45*bis*.1(a) as in force until 30 June 2017, has not yet expired on 1 July 2017.

Appointment of the Turkish Patent Institute as an International Searching and Preliminary Examining Authority under the PCT

The Assembly appointed the Turkish Patent Institute as an International Searching Authority and an International Preliminary Examining Authority with effect from the entry into force of the Agreement until 31 December 2017.

**Agreement between the Turkish Patent and Trademark Office
and the International Bureau
of the World Intellectual Property Organization**

in relation to the functioning of the Turkish Patent and Trademark Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Turkish Patent and Trademark Office and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Turkish Patent and Trademark Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1
Terms and Expressions

- (1) For the purposes of this Agreement:
 - (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Turkish Patent and Trademark Office;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2
Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3 Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis*, covering at least the documentation referred to in Annex E to this Agreement, subject to any limitations and conditions set out in that Annex.

Article 4 Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex B to this Agreement.

Article 5 Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex C to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6 Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate solely the International Patent Classification.

Article 7 Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex D.

Article 8 International-Type Search

The Authority shall carry out international-type searches to the extent decided by it.

Article 9 Entry into Force

This Agreement shall enter into force on a date to be notified to the Director General of the World Intellectual Property Organization by the Authority, that date being at least one month later than the date on which the notification is made.

Article 10 Duration and Renewability

This Agreement shall remain in force until December 31, 2017. The parties to this Agreement shall, no later than one month after the date on which the Agreement enters into force, start negotiations for its renewal.

Article 11 Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the schedule of fees and charges contained in Annex C to this Agreement;
- (iii) amend the indications of languages of correspondence contained in Annex D to this Agreement;
- (iv) amend the indications and information concerning supplementary international searches contained in Annex E to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that, for any change in the currency or amount of fees or charges contained in Annex C, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex C, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2017:
 - (i) if the Authority gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Authority written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

Annex A States and Languages

Under Article 3 of the Agreement, the Authority specifies:

- (i) the following States for which it will act:
 - (a) Turkey;
 - (b) any other Contracting State in accordance with the obligations of the Authority within the framework of the European Patent Organisation;
- (ii) the following languages which it will accept:
English and Turkish.

Annex B Subject Matter Not Excluded from Search or Examination

The subject matter set forth in Rule 39.1 or 67.1 which, under Article 4 of the Agreement, is not excluded from search or examination is the following:

all subject matter searched or examined under the national patent grant procedure under the provisions of Turkish patent law.

**Annex C
Fees and Charges**

Part I. Schedule of Fees and Charges

Kind of fee or charge	Amount (Turkish Lira)
Search fee (Rule 16.1(a))	... ²
Additional fee (Rule 40.2(a))	... ²

(5) When the international application or the demand is withdrawn before the start of the international preliminary examination, the amount of the preliminary examination fee paid shall be fully refunded.

(6) The Authority shall refund the supplementary search fee if, before it has started the supplementary international search in accordance with Rule 45*bis*.5(a), the supplementary search request is considered not to have been submitted under Rule 45*bis*.5(g).

(7) The Authority shall refund the supplementary search fee if, after receipt of the documents specified in Rule 45*bis*.4(e)(i) to (iv), but before it has started the supplementary international search in accordance with Rule 45*bis*.5(a), it is notified of the withdrawal of the international application or the supplementary search request.

Annex D Languages of Correspondence

Under Article 7 of the Agreement, the Authority specifies the following languages:
English and Turkish.

Annex E Supplementary International Search: Documentation Covered; Limitations and Conditions

(1) The Authority will accept requests for supplementary international search in the languages mentioned in Annex D.

(2) The supplementary international search shall cover at least one of the following levels of search:

- (i) in addition to the PCT minimum documentation, at least the documents in Turkish held in the search collection of the Authority;
- (ii) only the documents in Turkish held in the search collection in the Authority.

(3) The Authority will notify the International Bureau if the demand for supplementary international search clearly exceeds the resources available and also when normal conditions have been reestablished.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

MA Morocco

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 28 March 2017, the **Moroccan Office of Industrial and Commercial Property (OMPIC)** in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions, that it is prepared to receive and process international applications in electronic form with effect from 1 May 2017, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JPEG (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 to 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by e-mail at: epct-ma@ompic.ma

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software.

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.ompic.ma).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)
- Certification Authority (CA) for the European Patent Office (see www.epoline.org/security/EPO_PKI_CPS.pdf)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: WITHDRAWAL BY RECEIVING OFFICES OF NOTIFICATION OF INCOMPATIBILITY UNDER SECTION 703(F) OF THE ADMINISTRATIVE INSTRUCTIONS UNDER THE PCT

CA Canada

On 7 April 2002, the **Canadian Intellectual Property Office**, in its capacity as receiving Office, notified the International Bureau, under Section 703(f) of the Administrative Instructions under the PCT, of the incompatibility of its national law and the technical systems of the Office with items (ii) to (iv) of Section 703(b) of the Administrative Instructions (see PCT Gazette No. 18/2002, of 2 May 2002, page 8974).

On 24 March 2017, the Office withdrew the above-mentioned notification of incompatibility.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

GE Georgia

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 11 May 2017, the **National Intellectual Property Center of Georgia (SAKPATENTI)** in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect from 1 June 2017, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JPEG (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string types of signatures (see Annex F, sections 3.3.1 to 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by telephone at: +995 32 225 25 33
- by fax at: +995 32 298 84 26
- by e-mail at: epct@sakpatenti.org.ge

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software.

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.sakpatenti.org.ge).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)
- Certification Authority (CA) for the European Patent Office (www.epoline.org/security/EPO_PKI_CPS.pdf)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

JO Jordan

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 4 July 2017, the **Industrial Property Protection Directorate, Ministry of Industry, Trade and Supply (Jordan)** in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions, that it is prepared to receive and process international applications in electronic form with effect from 25 July 2017, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JPEG (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 to 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by telephone at: (962) 6 562 9030 Ext. 325 & 326
- by fax at: (962) 6 568 2331
- by e-mail at: patents.section@mit.gov.jo

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software.

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.mit.gov.jo).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)
- Certification Authority (CA) for the European Patent Office (see www.epoline.org/security/EPO_PKI_CPS.pdf)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

EG Egypt

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 12 September 2017, the **Egyptian Patent Office**, in its capacity as receiving Office, notified the International Bureau, under PCT Rule 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713 of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect since 15 September 2017, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JPEG (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- the international application must be signed by means of a basic electronic signature (text string or facsimile) or by means of enhanced electronic signature (see Annex F, section 3.3)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by e-mail at: epct-egpo@egypo.gov.eg

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- any subsequently filed documents for international applications, to the extent supported by the relevant software.

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide, concerning the availability of online filing system on its website (www.egypo.gov.eg).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO Customer CA (www.wipo.int/pct-safe/en/certificates.html)
- Certification Authority (CA) for the European Patent Office (www.epoline.org/security/EPO_PKI_CPS.pdf)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using ePCT private services.”

AL Albania

The **General Directorate of Industrial Property (GDIP) (Albania)** has notified a change in the provisions concerning provisional protection after international publication. The Office no longer requires that a translation be published within three months from the date of its submission to the Office.

The consolidated text now reads:

Where the designation is made for the purposes of a national patent:

Any international application designating Albania which has been published under PCT Article 21 shall give rise to the same rights as those which the Albanian law provides for the compulsory national publication of unexamined national applications as such. Provisional protection shall be effective as from the date on which an Albanian translation of the claims of the international application is published by the Office. (Art. 27, Albanian Industrial Property Law).

Where the designation is made for the purposes of a European patent and

(1) the international application is published in one of the EPO official languages: the applicant has the right to seek compensation reasonable in the circumstances for any infringement, on condition that any national requirements relating to the translation of the claims in the application have been met (see Articles 67 and 153(4) EPC)¹; or

(2) the international application is published in a language which is not an EPO official language: the protection referred to in (1) does not become effective until the EPO publishes the international application supplied to it in one of its official languages (see Article 153(4) EPC and Article 82(1), Albanian Industrial Property Law).

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (<http://www.indecopi.gob.pe>).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO Customer CA (www.wipo.int/pct-safe/en/certificates.htm)
- Certification Authority (CA) for the European Patent Office (www.epoline.org/security/EPO_PKI_CPS.pdf)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

IT Italy

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 3 November 2017, the **Italian Patent and Trademark Office**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions, that it is prepared to receive and process international applications in electronic form with effect from 4 December 2017, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)

¹ Must be furnished or paid within the time limit applicable under PCT Article 22 or 39(1).

- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JPEG (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 to 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by telephone at: (39-06) 4705-5847 or (39-06) 4705-5800
- by facsimile at: (39-06) 4705-5632
- by e-mail at: uibm.pct@mise.gov.it

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software.

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (<http://www.uibm.gov.it/>).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)
- Certification Authority (CA) for the European Patent Office
(see www.epoline.org/security/EPO_PKI_CPS.pdf)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using ePCT.”

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

PH Philippines

Under PCT Rule 89*bis*.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the **Intellectual Property Office (Philippines)**, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notification published in PCT Gazette No. 30/2006, of 27 July 2006, pages 19028 *et seq.*, and, in particular, that it is prepared to accept international applications filed using ePCT-Filing and will no longer accept international applications in electronic form filed on physical media and using the PCT-SAFE software, with effect since 4 January 2016. Consequently, since that date, the following notification replaces the aforementioned notification:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by e-mail at: pct@ipophil.gov.ph

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.ipophil.gov.ph).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (see www.wipo.int/pct-safe/en/certificates.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

RU Russian Federation

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 19 November 2015, the **Federal Service for Intellectual Property (Rospatent) (Russian Federation)**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions, that it is prepared to receive and process international applications in electronic form with effect since 1 January 2016, as follows:

Agreement
between the State Intellectual Property Service of Ukraine
and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the State Enterprise
"Ukrainian Institute of Intellectual Property"
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The State Intellectual Property Service of Ukraine and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the State Intellectual Property Service of Ukraine as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Considering that the State Enterprise “Ukrainian Institute of Intellectual Property” is responsible for patent processing activities on behalf of the State Intellectual Property Service of Ukraine,

Hereby agree as follows:

Article 1
Terms and Expressions

- (1) For the purposes of this Agreement:
 - (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the State Enterprise “Ukrainian Institute of Intellectual Property”;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2
Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3 Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis*, covering at least the documentation referred to in Annex E to this Agreement, subject to any limitations and conditions set out in that Annex.

Article 4 Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex B to this Agreement.

**Article 5
Fees and Charges**

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex C to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

**Article 6
Classification**

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate solely the International Patent Classification.

**Article 7
Languages of Correspondence Used by the Authority**

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex D.

**Article 8
International-Type Search**

The Authority shall carry out international-type searches to the extent decided by it.

Article 9 Entry into Force

This Agreement shall enter into force one month after the date on which the State Intellectual Property Service of Ukraine notifies the Director General of the World Intellectual Property Organization through diplomatic channels that the Authority is prepared to start functioning as an International Searching Authority and an International Preliminary Examining Authority.

Article 10 Duration and Renewability

This Agreement shall remain in force until December 31, 2017. The parties to this Agreement shall, no later than July 2016, start negotiations for its renewal.

Article 11 Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the State Intellectual Property Service of Ukraine; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The State Intellectual Property Service of Ukraine may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of languages contained in Annex A to this Agreement;
- (ii) amend the schedule of fees and charges contained in Annex C to this Agreement;
- (iii) amend the indications of languages of correspondence contained in Annex D to this Agreement;
- (iv) amend the indications and information concerning supplementary international searches contained in Annex E to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that, for any change in the currency or amount of fees or charges contained in Annex C, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex C, that date is at least two months later than the date on which the notification is received by the International Bureau.

**Article 12
Termination**

- (1) This Agreement shall terminate before December 31, 2017:
- (i) if the State Intellectual Property Service of Ukraine gives the Director General of the World Intellectual Property Organization written notice, through diplomatic channels, to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the State Intellectual Property Service of Ukraine written notice, through diplomatic channels, to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt, through diplomatic channels, of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

Done at Geneva, this twenty-seventh day of November two thousand and fifteen, in two originals in the English and Ukrainian languages, each text being equally authentic.

Part II. Conditions for and Extent of Refunds or Reductions of Fees

(1) Any amount paid by mistake, without cause, or in excess of the amount due, for fees indicated in Part I of this Annex shall be refunded.

(2) Where the international application is withdrawn or considered withdrawn, under Article 14(1), (3) or (4), before the start of the international search, the amount of the search fee paid shall be fully refunded.

(3) Where the Authority benefits from an earlier search, carried out in respect of an earlier application by the Authority itself or by another International Searching Authority, 25%-75% of the search fee paid shall be refunded, depending upon the extent to which the Authority benefits from that earlier search.

(4) In the cases provided for under Rule 58.3, the amount of the preliminary examination fee paid shall be fully refunded.

(5) When the international application or the demand is withdrawn before the start of the international preliminary examination, 75% of the preliminary examination fee paid shall be refunded.

(6) The Authority shall refund the supplementary search fee if, before it has started the supplementary international search in accordance with Rule 45*bis*.5(a), the supplementary search request is considered not to have been submitted under Rule 45*bis*.5(g).

Annex D
Languages of Correspondence

Under Article 7 of the Agreement, the Authority specifies the following languages:

English, French, German, Russian and Ukrainian, depending on the language in which the international application is filed or translated; however, English or Russian may be used in all cases.

Annex E
**Supplementary International Search:
Documentation Covered; Limitations and Conditions**

(1) The Authority will accept requests for supplementary international search based on international applications filed in, or translations furnished into, English, French, German, Russian or Ukrainian.

(2) The supplementary international search shall cover one of the following levels of search:

- (i) the documents held in the search collection of the Authority including but not limited to the PCT minimum documentation under Rule 34;
- (ii) European and North American documentation;
- (iii) Russian language documentation of the former USSR and Ukrainian language documentation.

(3) If the International Searching Authority competent for the main international search has issued a declaration referred to in Article 17(2)(a) because of subject matter referred to in Rule 39.1(iv), and the appropriate fee referred to in Annex C is paid, the supplementary international search shall cover at least the PCT minimum documentation under Rule 34 in addition to the documentation referred to in paragraph (2) of this Annex.

(4) The State Intellectual Property Service of Ukraine shall notify the International Bureau if a demand for supplementary international search exceeds resources available to the Authority and also when normal conditions have been reestablished.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

CU Cuba

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 7 January 2016, the **Cuban Industrial Property Office**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions, that it is prepared to receive and process international applications in electronic form with effect from 1 February 2016, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JPEG (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by e-mail at: epct@ocpi.cu

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.ocpi.cu).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

PT Portugal

Under PCT Rule 89*bis*.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the **National Institute of Industrial Property (Portugal)**, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notification published in the Official Notices (PCT Gazette) of 24 January 2013, pages 10 *et seq.*, and, in particular, that it is prepared to accept international applications filed using ePCT-Filing and will no longer accept international applications in electronic form filed on physical media, with effect from 1 February 2016. Consequently, as from that date, the following notification will replace the aforementioned notification:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)

As to types of electronic signature (Section 710(a)(i)):

- facsimile, text string and click wrap types of signature (see Annex F, sections 3.3.1 to 3.3.3)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names and sizes of the electronic files received (see Section 704(a)(v)) and the dates of creation of the electronic files received (see Section 704(a)(vi)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk will be available between 9.00 a.m. and 5.00 p.m. Monday to Friday, excluding official holidays. The help desk may be contacted:

- by telephone at: +351 21 881 81 00

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

BG Bulgaria

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 14 April 2016, the **Patent Office of the Republic of Bulgaria**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions, that it is prepared to receive and process international applications in electronic form with effect from 1 May 2016, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JPEG (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing
- EPO online filing software

As to types of electronic signature (Section 710(a)(i)):

- facsimile, text string and click wrap types of signatures (see Annex F, sections 3.3.1 to 3.3.3)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain the mandatory information required under Section 704(a)(i) to (iv), the names and sizes of the electronic files received (see Section 704(a)(v)) and the dates of creation of the electronic files received (see Section 704(a)(vi)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

MEETINGS OF THE INTERNATIONAL PATENT COOPERATION UNION – ASSEMBLY (FORTY-SEVENTH (20TH ORDINARY) SESSION)

NOTE PREPARED BY THE INTERNATIONAL BUREAU

At its forty-seventh (20th ordinary) session, which was held in Geneva from 5 to 14 October 2015 as part of the meetings of the Assemblies of the Member States of WIPO, the Assembly of the International Patent Cooperation Union (PCT Union) approved the following changes affecting the PCT system:

- amendments to the PCT Regulations; and
- appointment of a new International Searching and Preliminary Examining Authority.

Documents which were prepared for the Assembly, and which give detailed background information relating to the decisions that were taken, as well as the report of the session, are available on the WIPO website at:

www.wipo.int/meetings/en/details.jsp?meeting_id=36343

The aforementioned changes are outlined below.

Amendments to the PCT Regulations

A number of amendments to the PCT Regulations were approved by the PCT Assembly. The said amendments will enter into force at two different times: the first set of amendments (set out on pages 90 to 95) will enter into force on 1 July 2016 and the second set of amendments (set out on pages 96 and 100) will enter into force on 1 July 2017.

The amendments due to enter into force on 1 July 2016 include:

- amendments of Rules 9, 26*bis*, 48, 82*quater*, 92 and 94 which shall apply to any international application whose international filing date is on or after July 1, 2016;
- the amendments of Rule 82*quater* shall also apply to international applications whose international filing date is before July 1, 2016, where the event referred to in Rule 82*quater*.1(a), as amended, occurs on or after July 1, 2016;
- the amendments of Rule 92.2(d) shall also apply to correspondence received by the International Bureau on or after July 1, 2016, in respect of international applications whose international filing date is before July 1, 2016, to the extent provided at the time of promulgation of any Administrative Instructions made under that Rule;

The amendments due to enter into force on 1 July 2017 include:

- amendments of Rules 12*bis*, 23*bis*, 41, 86 and 95 which shall apply to any international application whose international filing date is on or after July 1, 2017;

- the amendments of Rules 86 and 95 shall also apply to any international application whose international filing date is before July 1, 2017, in respect of which the acts referred to in Article 22 or Article 39 are performed on or after July 1, 2017.

Appointment of the Visegrad Patent Institute as an International Searching and Preliminary Examining Authority under the PCT

The Assembly appointed the Visegrad Patent Institute as an International Searching Authority and an International Preliminary Examining Authority with effect from the entry into force of the Agreement until December 31, 2017.

(to enter into force on 1 July 2016)**

**Rule 9
Expressions, Etc., Not to Be Used**

9.1 *[No change]*

9.2 *Noting of Lack of Compliance*

The receiving Office, the International Searching Authority, the Authority specified for supplementary search and the International Bureau may note lack of compliance with the prescriptions of Rule 9.1 and may suggest to the applicant that he voluntarily correct his international application accordingly, in which case the receiving Office, the competent International Searching Authority, the competent Authority specified for supplementary search and the International Bureau, as applicable, shall be informed of the suggestion.

9.3 *[No change]*

**Rule 26bis
Correction or Addition of Priority Claim**

26bis.1 and 26bis.2 *[No change]*

26bis.3 *Restoration of Right of Priority by Receiving Office*

(a) to (e) *[No change]*

(f) The receiving Office may require that a declaration or other evidence in support of the statement of reasons referred to in paragraph (b)(ii) be filed with it within a time limit which shall be reasonable under the circumstances.

(g) *[No change]*

(h) The receiving Office shall promptly:

- (i) *[No change]*
- (ii) *[No change]*
- (iii) notify the applicant and the International Bureau of its decision and the criterion for restoration upon which the decision was based;
- (iv) subject to paragraph (h-bis), transmit to the International Bureau all documents received from the applicant relating to the request under paragraph (a) (including a copy of the request itself, any statement of reasons referred to in paragraph (b)(ii) and any declaration or other evidence referred to in paragraph (f)).

(h-bis) The receiving Office shall, upon a reasoned request by the applicant or on its own decision, not transmit documents or parts thereof received in relation to the request under paragraph (a), if it finds that:

- (i) this document or part thereof does not obviously serve the purpose of informing the public about the international application;
- (ii) publication or public access to any such document or part thereof would clearly prejudice the personal or economic interests of any person; and
- (iii) there is no prevailing public interest to have access to that document or part thereof.

Where the receiving Office decides not to transmit documents or parts thereof to the International Bureau, it shall notify the International Bureau accordingly.

(i) and (j) *[No change]*.

Rule 48 **International Publication**

48.1 *[No change]*

48.2 *Contents*

(a) *[No change]*

(b) Subject to paragraph (c), the front page shall include:

(i) to (vi) *[No change]*

(vii) where applicable, an indication that the published international application contains information concerning a request under Rule 26bis.3 for restoration of the right of priority and the decision of the receiving Office upon such request.

(viii) *[Deleted]*

(c) to (k) [No change]

(l) The International Bureau shall, upon a reasoned request by the applicant received by the International Bureau prior to the completion of the technical preparations for international publication, omit from publication any information, if it finds that:

- (i) this information does not obviously serve the purpose of informing the public about the international application;
- (ii) publication of such information would clearly prejudice the personal or economic interests of any person; and
- (iii) there is no prevailing public interest to have access to that information.

Rule 26.4 shall apply *mutatis mutandis* as to the manner in which the applicant shall present the information which is the subject of a request made under this paragraph.

(m) Where the receiving Office, the International Searching Authority, the Authority specified for supplementary search or the International Bureau notes any information meeting the criteria set out under paragraph (l), that Office, Authority or Bureau may suggest to the applicant to request the omission from international publication in accordance with paragraph (l).

(n) Where the International Bureau has omitted information from international publication in accordance with paragraph (l) and that information is also contained in the file of the international application held by the receiving Office, the International Searching Authority, the Authority specified for supplementary search or the International Preliminary Examining Authority, the International Bureau shall promptly notify that Office and Authority accordingly.

48.3 to 48.6 [No change]

Rule 82^{quater} **Excuse of Delay in Meeting Time Limits**

82^{quater}.1 Excuse of Delay in Meeting Time Limits

(a) Any interested party may offer evidence that a time limit fixed in the Regulations for performing an action before the receiving Office, the International Searching Authority, the Authority specified for supplementary search, the International Preliminary Examining Authority or the International Bureau was not met due to war, revolution, civil disorder, strike, natural calamity, a general unavailability of electronic communications services or other like reason in the locality where the interested party resides, has his place of business or is staying, and that the relevant action was taken as soon as reasonably possible.

(b) [No change]

(e) [No change]

92.3 and 92.4 [No change]

**Rule 94
Access to Files**

94.1 *Access to the File Held by the International Bureau*

(a) [No change]

(b) The International Bureau shall, at the request of any person but not before the international publication of the international application and subject to Article 38 and paragraphs (d) to (g), furnish copies of any document contained in its file. The furnishing of copies may be subject to reimbursement of the cost of the service.

(c) [No change]

(d) The International Bureau shall not provide access to any information contained in its file which has been omitted from publication under Rule 48.2(l) and to any document contained in its file relating to a request under that Rule.

(e) Upon a reasoned request by the applicant, the International Bureau shall not provide access to any information contained in its file and to any document contained in its file relating to such a request, if it finds that:

- (i) this information does not obviously serve the purpose of informing the public about the international application;
- (ii) public access to such information would clearly prejudice the personal or economic interests of any person; and
- (iii) there is no prevailing public interest to have access to that information.

Rule 26.4 shall apply *mutatis mutandis* as to the manner in which the applicant shall present the information which is the subject of a request made under this paragraph.

(f) Where the International Bureau has omitted information from public access in accordance with paragraphs (d) or (e), and that information is also contained in the file of the international application held by the receiving Office, the International Searching Authority, the Authority specified for supplementary search or the International Preliminary Examining Authority, the International Bureau shall promptly notify that Office and Authority accordingly.

(g) The International Bureau shall not provide access to any document contained in its file which was prepared solely for internal use by the International Bureau.

94.1bis Access to the File Held by the Receiving Office

(a) At the request of the applicant or any person authorized by the applicant, the receiving Office may provide access to any document contained in its file. The furnishing of copies of documents may be subject to reimbursement of the cost of the service.

(b) The receiving Office may, at the request of any person, but not before the international publication of the international application and subject to paragraph (c), provide access to any document contained in its file. The furnishing of copies of documents may be subject to reimbursement of the cost of the service.

(c) The receiving Office shall not provide access under paragraph (b) to any information in respect of which it has been notified by the International Bureau that the information has been omitted from publication in accordance with Rule 48.2(l) or from public access in accordance with Rule 94.1(d) or (e).

94.1ter Access to the File Held by the International Searching Authority

(a) At the request of the applicant or any person authorized by the applicant, the International Searching Authority may provide access to any document contained in its file. The furnishing of copies of documents may be subject to reimbursement of the cost of the service.

(b) The International Searching Authority may, at the request of any person, but not before the international publication of the international application and subject to paragraph (c), provide access to any document contained in its file. The furnishing of copies of documents may be subject to reimbursement of the cost of the service.

(c) The International Searching Authority shall not provide access under paragraph (b) to any information in respect of which it has been notified by the International Bureau that the information has been omitted from publication in accordance with Rule 48.2(l) or from public access in accordance with Rule 94.1(d) or (e).

(d) Paragraphs (a) to (c) shall apply *mutatis mutandis* to the Authority specified for supplementary search.

94.2 *Access to the File Held by the International Preliminary Examining Authority*

(a) At the request of the applicant or any person authorized by the applicant, the International Preliminary Examining Authority shall provide access to any document contained in its file. The furnishing of copies of documents may be subject to reimbursement of the cost of the service.

(b) At the request of any elected Office, but not before the establishment of the international preliminary examination report and subject to paragraph (c), the International Preliminary Examining Authority shall provide access to any document contained in its file. The furnishing of copies of documents may be subject to reimbursement of the cost of the service.

(c) The International Preliminary Examining Authority shall not provide access under paragraph (b) to any information in respect of which it has been notified by the International Bureau that the information has been omitted from publication in accordance with Rule 48.2(l) or from public access in accordance with Rule 94.1(d) or (e).

94.2bis *Access to the File Held by the Designated Office*

If the national law applicable by any designated Office allows access by third parties to the file of a national application, that Office may allow access to any documents relating to the international application, contained in its file, to the same extent as provided by the national law for access to the file of a national application, but not before the earliest of the dates specified in Article 30(2)(a). The furnishing of copies of documents may be subject to reimbursement of the cost of the service.

94.3 *Access to the File Held by the Elected Office*

If the national law applicable by any elected Office allows access by third parties to the file of a national application, that Office may allow access to any documents relating to the international application, including any document relating to the international preliminary examination, contained in its file, to the same extent as provided by the national law for access to the file of a national application, but not before the earliest of the dates specified in Article 30(2)(a). The furnishing of copies of documents may be subject to reimbursement of the cost of the service.

AMENDMENTS OF THE REGULATIONS UNDER THE PCT
(to enter into force on 1 July 2017)

Rule 12bis

Submission by the Applicant of Documents Relating to Earlier Search

12bis.1 *Furnishing by the Applicant of Documents Related to Earlier Search in Case of Request under Rule 4.12*

(a) Where the applicant has, under Rule 4.12, requested the International Searching Authority to take into account the results of an earlier search carried out by the same or another International Searching Authority or by a national Office, the applicant shall, subject to paragraphs (b) to (d), submit to the receiving Office, together

with the international application, a copy of the results of the earlier search, in whatever form (for example, in the form of a search report, a listing of cited prior art or an examination report) they are presented by the Authority or Office concerned.

(b) Where the earlier search was carried out by the same Office as that which is acting as the receiving Office, the applicant may, instead of submitting the copy referred to in paragraph (a), indicate the wish that the receiving Office prepare and transmit it to the International Searching Authority. Such request shall be made in the request and may be subjected by the receiving Office to the payment to it, for its own benefit, of a fee.

(c) Where the earlier search was carried out by the same International Searching Authority, or by the same Office as that which is acting as the International Searching Authority, no copy referred to in paragraph (a) shall be required to be submitted under that paragraph.

(d) Where a copy referred to in paragraph (a) is available to the receiving Office or the International Searching Authority in a form and manner acceptable to it, for example, from a digital library, and the applicant so indicates in the request, no copy shall be required to be submitted under that paragraph.

12bis.2 Invitation by the International Searching Authority to Furnish Documents Related to Earlier Search in Case of Request under Rule 4.12

(a) The International Searching Authority may, subject to paragraphs (b) and (c), invite the applicant to furnish to it, within a time limit which shall be reasonable under the circumstances:

- (i) a copy of the earlier application concerned;
- (ii) where the earlier application is in a language which is not accepted by the International Searching Authority, a translation of the earlier application into a language which is accepted by that Authority;
- (iii) where the results of the earlier search are in a language which is not accepted by the International Searching Authority, a translation of those results into a language which is accepted by that Authority;
- (iv) a copy of any document cited in the results of the earlier search.

(b) Where the earlier search was carried out by the same International Searching Authority, or by the same Office as that which is acting as the International Searching Authority, or where a copy or translation referred to in paragraph (a) is available to the International Searching Authority in a form and manner acceptable to it, for example, from a digital library, or in the form of the priority document, no copy or translation referred to in paragraph (a) shall be required to be submitted under that paragraph.

(c) Where the request contains a statement under Rule 4.12(ii) to the effect that the international application is the same, or substantially the same, as the application in respect of which the earlier search was carried out, or that the international application is

the same, or substantially the same, as that earlier application except that it is filed in a different language, no copy or translation referred to in paragraphs (a)(i) and (ii) shall be required to be submitted under those paragraphs.

Rule 23bis

Transmittal of Documents Relating to Earlier Search or Classification

23bis.1 Transmittal of Documents Relating to Earlier Search in Case of Request under Rule 4.12

(a) The receiving Office shall transmit to the International Searching Authority, together with the search copy, any copy referred to in Rule 12bis.1(a) related to an earlier search in respect of which the applicant has made a request under Rule 4.12, provided that any such copy:

- (i) has been submitted by the applicant to the receiving Office together with the international application;
- (ii) has been requested by the applicant to be prepared and transmitted by the receiving Office to that Authority; or
- (iii) is available to the receiving Office in a form and manner acceptable to it, for example, from a digital library, in accordance with Rule 12bis.1(d).

(b) If it is not included in the copy of the results of the earlier search referred to in Rule 12bis.1(a), the receiving Office shall also transmit to the International Searching Authority, together with the search copy, a copy of the results of any earlier classification effected by that Office, if already available.

23bis.2 Transmittal of Documents Relating to Earlier Search or Classification for the Purposes of Rule 41.2

(a) For the purposes of Rule 41.2, where the international application claims the priority of one or more earlier applications filed with the same Office as that which is acting as the receiving Office and that Office has carried out an earlier search in respect of such an earlier application or has classified such earlier application, the receiving Office shall, subject to paragraphs (b), (d) and (e), transmit to the International Searching Authority, together with the search copy, a copy of the results of any such earlier search, in whatever form (for example, in the form of a search report, a listing of cited prior art or an examination report) they are available to the Office, and a copy of the results of any such earlier classification effected by the Office, if already available. The receiving Office may also transmit to the International Searching Authority any further documents relating to such an earlier search which it considers useful to that Authority for the purposes of carrying out the international search.

(b) Notwithstanding paragraph (a), a receiving Office may notify the International Bureau by April 14, 2016 that it may, on request of the applicant submitted together with the international application, decide not to transmit the results of an earlier search to the International Searching Authority. The International Bureau shall publish any notification under this provision in the Gazette.

(c) At the option of the receiving Office, paragraph (a) shall apply *mutatis mutandis* where the international application claims the priority of one or more earlier applications filed with an Office different from the one which is acting as the receiving Office and that Office has carried out an earlier search in respect of such an earlier application or has classified such earlier application, and the results of any such earlier search or classification are available to the receiving Office in a form and manner acceptable to it, for example, from a digital library.

(d) Paragraphs (a) and (c) shall not apply where the earlier search was carried out by the same International Searching Authority or by the same Office as that which is acting as the International Searching Authority, or where the receiving Office is aware that a copy of the earlier search or classification results is available to the International Searching Authority in a form and manner acceptable to it, for example, from a digital library.

(e) To the extent that, on October 14, 2015, the transmission of the copies referred to in paragraph (a), or the transmission of such copies in a particular form, such as those referred to in paragraph (a), without the authorization by the applicant is not compatible with the national law applied by the receiving Office, that paragraph shall not apply to the transmission of such copies, or to the transmission of such copies in the particular form concerned, in respect of any international application filed with that receiving Office for as long as such transmission without the authorization by the applicant continues not to be compatible with that law, provided that the said Office informs the International Bureau accordingly by April 14, 2016. The information received shall be promptly published by the International Bureau in the Gazette.

Rule 41

Taking into Account Results of Earlier Search and Classification

41.1 *Taking into Account Results of Earlier Search in Case of a Request under Rule 4.12*

Where the applicant has, under Rule 4.12, requested the International Searching Authority to take into account the results of an earlier search and has complied with Rule 12*bis*.1 and:

(i) *[No change]*

(ii) *[No change]*

41.2 *Taking into Account Results of Earlier Search and Classification in Other Cases*

(a) Where the international application claims the priority of one or more earlier applications in respect of which an earlier search has been carried out by the same International Searching Authority, or by the same Office as that which is acting as the International Searching Authority, the International Searching Authority shall, to the extent possible, take the results of any such earlier search into account in carrying out the international search.

(b) Where the receiving Office has transmitted to the International Searching Authority a copy of the results of any earlier search or of any earlier classification under Rule 23bis.2(a) or (b), or where such a copy is available to the International Searching Authority in a form and manner acceptable to it, for example, from a digital library, the International Searching Authority may take those results into account in carrying out the international search.

Rule 86
The Gazette

86.1 *Contents*

The Gazette referred to in Article 55(4) shall contain:

(i) to (iii) *[No change]*

(iv) information concerning events at the designated and elected Offices notified to the International Bureau under Rule 95.1 in relation to published international applications;

Rule 95
Information and Translations from Designated and Elected Offices

95.1 *Information Concerning Events at the Designated and Elected Offices*

Any designated or elected Office shall notify the International Bureau of the following information concerning an international application within two months, or as soon as reasonably possible thereafter, of the occurrence of any of the following events:

(i) following the performance by the applicant of the acts referred to in Article 22 or Article 39, the date of performance of those acts and any national application number which has been assigned to the international application;

(ii) where the designated or elected Office explicitly publishes the international application under its national law or practice, the number and date of that national publication;

(iii) where a patent is granted, the date of grant of the patent and, where the designated or elected Office explicitly publishes the international application in the form in which it is granted under its national law, the number and date of that national publication.

95.2 *Furnishing of Copies of Translations*

(a) At the request of the International Bureau, any designated or elected Office shall provide it with a copy of the translation of the international application furnished by the applicant to that Office.

(b) The International Bureau may, upon request and subject to reimbursement of the cost, furnish to any person copies of the translations received under paragraph (a).

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

BR Brazil

Under PCT Rule 89*bis*.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the **National Institute of Industrial Property (Brazil)**, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notification published in PCT Gazette of 23 October 2014, pages 157 *et seq.*, and, in particular, that it is prepared to accept international applications filed using ePCT-Filing in XML format, in addition to other formats, with effect since 1 May 2016. Consequently, since that date, the following notification replaces the aforementioned notification:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JPEG (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile, text string and click wrap types of signatures (see Annex F, sections 3.3.1 to 3.3.3)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by e-mail at: faleconosco@inpi.gov.br

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software.

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.inpi.gov.br).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

OM Oman

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 11 May 2016, the **Intellectual Property Department, Ministry of Commerce and Industry (Oman)**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect since 1 June 2016, as follows:

FI Finland

The **Finnish Patent and Registration Office (PRH)** has notified changes in the provisions concerning provisional protection after international publication, which are now as follows:

Where the designation is made for the purposes of a national patent:

After international publication, the furnishing of a translation into Finnish or Swedish or, if the international application was filed in Finnish or Swedish, a copy of the international application as filed or, if the application or translation was filed in English, a translation of the claims into Finnish or Swedish, gives the applicant provisional protection in the sense that he, upon grant of the patent, is entitled to damages. These are limited to what is judged reasonable under the circumstances and the protection is limited to what is claimed in both the application and the patent. See Sections 33, 58 and 60 of the Patent Law.

Where the designation is made for the purposes of a European patent:

Compensation reasonable in the circumstances, on condition that any national requirements relating to the translation into Finnish (or into Swedish if the applicant's own language is Swedish) of the claims of the application have been met, and upon grant of the patent. Protection is limited to what is claimed in both the application and the patent.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

CN China

Under PCT Rule 89*bis*.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the **State Intellectual Property Office of the People's Republic of China**, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notification published in the Official Notices (PCT Gazette) of 19 April 2007, pages 67 et seq., and, in particular, that it is prepared to accept international applications filed using the CEPCT software, in addition to the PCT-SAFE software, with effect since 1 April 2016. Consequently, since that date, the following notification replaces the aforementioned notification:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))
- filing on one of the following physical media: CD-R or DVD-R (see Annex F, section 5.2.1, Appendix III, section 2(e) and Appendix IV, sections 4.3 and 4.5)

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)
- WAD (Wrapped Application Documents; see Annex F, section 4.1.1) only for filing on a physical medium

As to electronic filing software (Section 710(a)(i)):

- PCT-SAFE software
- CEPCT Software

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string types of signature (see Annex F, sections 3.3.1 and 3.3.2)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names and sizes of the electronic files received (see Section 704(a)(v)) and the dates of creation of the electronic files received (see Section 704(a)(vi)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

CEPCT supports online payment.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk will be available between 9.00 a.m. and 4.00 p.m. Monday to Friday, excluding official holidays. The help desk may be contacted:

- by telephone at: +(86-10) 62 08 84 76
- by fax at: +(86-10) 62 08 82 89
- by e-mail at: PCT_affairs@sipo.gov.cn

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will provide information concerning the availability of the online filing system on its website (www.sipo.gov.cn). Applicants may file applications on paper by delivering in person, fax or mail.

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

At this stage no digital certificates are accepted by the Office.

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

No online file inspection by applicants is provided for at present.”

**Agreement between the Visegrad Patent Institute
and the International Bureau
of the World Intellectual Property Organization**

in relation to the functioning of the Visegrad Patent Institute
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Visegrad Patent Institute and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Visegrad Patent Institute as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

**Article 1
Terms and Expressions**

- (1) For the purposes of this Agreement:
 - (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Visegrad Patent Institute;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2 **Basic Obligations**

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3 **Competence of Authority**

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis*, covering at least the documentation referred to in Annex E to this Agreement, subject to any limitations and conditions set out in that Annex.

Article 4

Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex B to this Agreement.

Article 5

Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex C to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement:

(i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);

(ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6 Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate solely the International Patent Classification.

Article 7 Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex D.

Article 8 International-Type Search

The Authority shall carry out international-type searches to the extent decided by it.

Article 9 Entry into Force

This Agreement shall enter into force on a date to be notified to the Director General of the World Intellectual Property Organization by the Authority, that date being at least one month later than the date on which the notification is made.

Article 10 Duration and Renewability

This Agreement shall remain in force until December 31, 2017. The parties to this Agreement shall, no later than July 2016, start negotiations for its renewal.

Article 11 Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

(i) add to the indications of States and languages contained in Annex A to this Agreement;

(ii) amend the schedule of fees and charges contained in Annex C to this Agreement;

(iii) amend the indications of languages of correspondence contained in Annex D to this Agreement;

(iv) amend the indications and information concerning supplementary international searches contained in Annex E to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that, for any change in the currency or amount of fees or charges contained in Annex C, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex C, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

(1) This Agreement shall terminate before December 31, 2017:

(i) if the Authority gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or

(ii) if the Director General of the World Intellectual Property Organization gives the Authority written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

DK Denmark

Under PCT Rule 89*bis*.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the **Danish Patent and Trademark Office**, in its capacity as receiving Office, has notified the International Bureau of a change to its notifications published in PCT Gazette No. 35/2005, of 1 September 2005, pages 22816 *et seq.*, and in the Official Notices (PCT Gazette) of 26 June 2008, page 90, and of 27 August 2015, pages 153 *et seq.*, namely, that it no longer accepts international applications in electronic form filed using the PCT-SAFE software, with effect since 1 December 2015. Consequently, since that date, the following notification replaces the aforementioned notifications:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-filing
- EPO online filing software

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

– by e-mail at: PVS@dkpto.dk

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.dkpto.dk).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

RECEIVING OFFICES

BE Belgium

The **Intellectual Property Office (Belgium)** has notified changes concerning whether an agent is required by it – an agent is not required if the applicant resides in or has an effective industrial or commercial establishment in a member State of the European Union; an agent is required if the applicant is a non-resident¹.

Furthermore, the Office has notified changes concerning its requirements as to who can act as agent before it – any person registered to practice as a representative in Belgium (the list of registered representatives is furnished free of charge on request) can now act as such; also, any attorney-at-law registered on the list of Belgian attorneys-at-law or on the list of probationary attorneys, any attorney-at-law and any patent agent who is a national of a member State of the European Union and authorized to practice in Belgium by law or an international convention, may now act in the same way as a registered representative before the Office.

- Using ePCT-Filing where international applications are transmitted using the protocol specified in Annex F, section 5 and Appendix III, section 2(d) of the Administrative Instructions.
- Where a component file within the application exceeds 20 MB, online transmittal is not supported using ePCT-Filing.
- When online filing is not available the application shall then be filed on paper.

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile, text string or click-wrap signatures (see Annex F, sections 3.3.1 to 3.3.3)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The confirmation of receipt of any purported international application filed in electronic form with the Office contains, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)). The Office will make every effort to accept an international application in electronic form. A confirmation of receipt will be created for any purported international application filed in electronic form with the Office. Errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)), files exceeding 20 MB in size, or missing files, are notified to the applicant in the confirmation of receipt.

As to methods of online payment (Section 710(a)(ii)):

Online payment is available through the Office's website (www.ipaustralia.gov.au).

As to details concerning help desks (Section 710(a)(ii)):

Within the framework of its services, the Office has put in place a help desk for applicants filing international applications in electronic form. The Customer Services Network helpdesk can be contacted for all general enquiries.

The help desk is open from Monday to Friday from 9 a.m. to 5 p.m. Australian Eastern Standard/Summer Time (AEST) and can be contacted by the following means:

- by telephone at: +61 2 6283 2999
- by e-mail at: pct@ipaustralia.gov.au

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- International applications where individual components do not exceed 20 MB may be submitted via ePCT-Filing.
- Subsequently filed documents for international applications as supported by the relevant software.

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will not accept the filing of backup copies on paper. Furthermore, the Office will not prepare a backup copy of the international application on paper at the request of the applicant.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In the event of failure of the electronic systems when an international application is filed with it, the Office will use all means available to it, such as e-mail, to inform the applicant of alternative filing procedures. The Office will provide information concerning the availability of online filing systems on its website (www.ipaustralia.gov.au/about-us/news-and-media/latest-news-listing/).

The Office also offers a subscription service for notifications of any scheduled system downtimes (www.ipaustralia.gov.au/about-us/news-and-media/stay-informed/downtime-subscription/).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

For applications filed using ePCT-Filing:

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

DO Dominican Republic

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 4 October 2016, the **National Office of Industrial Property (Dominican Republic)**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions, that it is prepared to receive and process international applications in electronic form with effect from 1 November 2016, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JPEG (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile, text string and click wrap types of signatures (see Annex F, sections 3.3.1 to 3.3.3)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

– by e-mail at: epct@onapi.gob.do

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)
- Certification Authority (CA) for the European Patent Office (www.epoline.org/security/EPO_PKI_CPS.pdf)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

PA Panama

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 4 October 2016, the **Directorate General of the Industrial Property Registry (DIGERPI) (Panama)**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions, that it is prepared to receive and process international applications in electronic form with effect from 1 November 2016, as follows:

TRANSMITTAL OF DOCUMENTS RELATING TO EARLIER SEARCH OR CLASSIFICATION: NOTIFICATION BY RECEIVING OFFICES OF INCOMPATIBILITY UNDER PCT RULE 23bis.2(b)

During its forty-seventh (20th ordinary) session, held in Geneva from 5 to 14 October 2015, the Assembly of the International Patent Cooperation Union (PCT Union) unanimously adopted, among others, new Rule 23bis of the PCT Regulations concerning the transmittal of documents relating to earlier search or classification. New Rule 23bis will enter into force on 1 July 2017.

New Rule 23bis.2(b) states: “Notwithstanding paragraph (a), a receiving Office may notify the International Bureau by April 14, 2016 that it may, on request of the applicant submitted together with the international application, decide not to transmit the results of an earlier search to the International Searching Authority. The International Bureau shall publish any notification under this provision in the Gazette.”

The Offices (in their capacity as receiving Offices) of the following States have notified the International Bureau of such incompatibility:

- DE** **Germany**
- FI** **Finland**
- SE** **Sweden**

TRANSMITTAL OF DOCUMENTS RELATING TO EARLIER SEARCH OR CLASSIFICATION: NOTIFICATION BY RECEIVING OFFICES OF INCOMPATIBILITY UNDER PCT RULE 23bis.2(e)

During its forty-seventh (20th ordinary) session, held in Geneva from 5 to 14 October 2015, the Assembly of the International Patent Cooperation Union (PCT Union) unanimously adopted, among others, new Rule 23bis of the PCT Regulations concerning the transmittal of documents relating to earlier search or classification. New Rule 23bis will enter into force on 1 July 2017.

New Rule 23bis.2(e) states: “To the extent that, on October 14, 2015, the transmission of the copies referred to in paragraph (a), or the transmission of such copies in a particular form, such as those referred to in paragraph (a), without the authorization by the applicant is not compatible with the national law applied by the receiving Office, that paragraph shall not apply to the transmission of such copies, or to the transmission of such copies in the particular form concerned, in respect of any international application filed with that receiving Office for as long as such transmission without the authorization by the applicant continues not to be compatible with that law, provided that the said Office informs the International Bureau accordingly by April 14, 2016. The information received shall be promptly published by the International Bureau in the Gazette.”

The Offices (in their capacity as receiving Offices) of the following States have notified the International Bureau of such incompatibility and of the extent to which it applies:

AU Australia

To the extent that the patent application, document or information is not open for public inspection (as defined in Section 55 of the Australian Patents Act 1990). The Commissioner must not disclose the patent application, document or information without the consent of the applicant.

CH Switzerland

To the extent that before publication of the patent application or before the grant of the patent, if the latter occurs first, the following persons are entitled to consult the file, the applicant and his agent, persons who are able to prove that the applicant is accusing them of violating the rights arising from his patent application, or is warning them against such violation, third parties who are able to prove that the applicant or his agent agrees to such consultation.

CZ Czechia

To the extent that the patent application has not yet been published.

FI Finland

To the extent that the national law of Finland does not permit the transmission of information relating to unpublished applications.

HU Hungary

To the extent that prior to publication of the patent application, only the applicant, his representative, the expert, or the body called upon to give an expert opinion, furthermore – if it is necessary for performing their tasks prescribed in Act XXXIII of 1995 on the Protection of Inventions by Patents – the court, the prosecutor or the investigation authority may inspect the files. The inventor may inspect the files even if he is not the applicant. After publication – and subject to the following text – anyone may inspect the files of the patent application. Apart from the cases laid down in the Public Administration Procedures Act, the following shall be excluded from inspection even after publication. Documents used for the preparation of decisions and expert opinions that were not communicated to the parties. Documents indicating the identity of the inventor if the inventor has requested that publication of his name be disregarded. Personal data not indicated in the Patent Register and not communicated in giving official information, unless the persons concerned explicitly approved the inspection thereof or a third person is allowed access to documents containing personal data pursuant to the provisions of the Public Administration Procedures Act.

IL Israel

To the extent that under the national law of Israel all documents relating to a patent application are confidential until it is published.

JP Japan

To the extent that under the national law of Japan, the Japan Patent Office is not allowed to provide to third parties the documents pertaining to examination, among others, of any patent application without authorization by the applicant, until the application is either registered or published (Article 186(1)(i) of Japanese Patent Act).

NO Norway

To the extent that, unless requested by the applicant, the Office may not publish (or transmit) documents (e.g.: the patent application as filed) before the date on which the patent was granted, or 18 months have passed from the national filing date or, if priority is claimed, the priority date. With regard to any documents other than the patent application as filed (e.g.: search copy, search report, prior art listing, examination report, etc.), such documents are considered as internal case documents, and, subject to Section 14 of the Norwegian Publicity Act (Law 19.05.2006 No.16) are exempted from public access. These documents are therefore, in accordance with Section 22 of the Norwegian Patents Act, not made available to the public.

SE Sweden

To the extent that such copies are not yet open to the public, or, the sending of such copies is not expressly allowed through an agreement concerning exchange of search results with a patent Office abroad and in which the patent Office abroad binds itself not to make the search results open to the public.

SG Singapore

To the extent that under Section 108(2) of the Singapore Patents Act, documents or information relating to an unpublished application cannot be published or communicated to any person by the Registrar of the Intellectual Property Office of Singapore without authorization from the applicant.

US United States of America

To the extent that the national law of the United States of America (35 USC 122 and 37 CFR 1.14), require that patent applications that have not been published must be kept in confidence unless specifically authorized by the applicant. As such, absent such specific authorization, the United States Patent and Trademark Office (acting in its capacity as receiving Office under the PCT), is unable to transmit the documents and information provided for in PCT Rule 23*bis*.2(a).

INTERNATIONAL BUREAU

Non-Working Days

For the purposes of computing time limits under PCT Rule 80.5, it is to be noted that the days on which **the International Bureau will not be open for business** are, for the period from 1 January to 31 December 2017, the following:

all Saturdays and Sundays and
2 January 2017,
14 and 17 April 2017,
25 May 2017,
5 June 2017,
7 September 2017,
25 and 29 December 2017.

It is important to note that the days indicated above concern **only the International Bureau** and **not** the national Offices and other intergovernmental organizations.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

JP Japan

Under PCT Rule 89*bis*.1(d) and pursuant to Section 710(b) of the Administrative Instructions under the PCT, the **Japan Patent Office**, in its capacity as receiving Office, has notified the International Bureau, on 24 October 2016, of a number of changes to its notification published in the Official Notices (PCT Gazette) of 18 March 2010, pages 67 *et seq.*, and, in particular, that it will no longer accept international applications in electronic form filed using the PCT-SAFE software, with effect from 1 January 2017. Consequently, as from that date, the following notification will replace the aforementioned notification:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
 - (a) JISX 0208
 - (b) Shift-JIS
 - (c) IBM943-Unicode3.0/UTF-8 table in IBM AIX
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2 and Annex C)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JFIF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5)

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

² As published in the Official Notices (PCT Gazette) of 6 October 2016, page 202.

As to electronic filing software (Section 710(a)(i)):

- JPO PAS (Internet version)

As to types of electronic signatures (Section 710(a)(i)):

Enhanced electronic signature (see Annex F, section 3.3.4) is needed as a signature under PCT Article 14(1)(a)(i).

Text string signature can be used for other purposes, such as the signature for a declaration of inventorship under Section 214.

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain the information required under Section 704(a)(i) to (iv).

It is only if the application is not sent in accordance with the above-mentioned means of transmittal or document packaging that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates, applications infected by viruses or other forms of malicious logic or certain missing files, are notified to the applicant by issuing an error message.

The Office will make every effort to accept an international application in electronic form. Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

The following means of online payment are accepted: (i) payment by JPO's deposit account, or (ii) payment to the Japanese government account by online banking.

In addition, the following means of payment are accepted: (i) payment by patent revenue stamps, or (ii) payment to the Japanese government account by bank transfer.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a support center for online filing.

The task of this support center is to answer questions from users of the service for the online filing of patents, and to serve as a technical hotline in order to help applicants whenever bugs and other technical problems relating to the software and/or server are encountered.

This support center is open from Monday to Friday, excluding official holidays, from 9 a.m. until 8 p.m., and it may be contacted:

- by phone, at: +81 (0)3 5744 8534
- by fax, at: +81 (0)3 3582 0510

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software³

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept no filing of documents in pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of electronic systems when an international application is filed with it, the Office will use all means available to inform the applicant about procedures to follow as alternatives.

The Office will provide information on its website (www.jpo.go.jp) concerning the availability of online filing systems.

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- Registrar of Legal Affairs Bureau (www.moj.go.jp/ONLINE/CERTIFICATION/index.html)
- Secom Trust Systems Co., Ltd. (www.secomtrust.net/service/ninsyo/forgid.html)

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS AND DOCUMENTS RELATING TO INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES, INTERNATIONAL SEARCHING AUTHORITIES, AUTHORITIES SPECIFIED FOR SUPPLEMENTARY SEARCH AND INTERNATIONAL PRELIMINARY EXAMINING AUTHORITIES

EP European Patent Organisation

On 28 October 2014, the **European Patent Office (EPO)**, in its capacity as receiving Office, notified the International Bureau that it was prepared to receive and process international applications in electronic form filed using ePCT-Filing, with effect from 1 November 2014.

Also on that date, the Office notified an updated version of its set of notifications made under PCT Rule 89*bis*.1(d) and pursuant to Sections 710 and 713 of the Administrative Instructions under the PCT. This updated version was published in the Official Notices (PCT Gazette) of 13 November 2014, pages 164 *et seq.* It follows that notices published in PCT Gazette No. 18/2006, of 4 May 2006, page 12954, and in the Official Notices (PCT Gazette) of 15 May 2014, page 70, are still in force.

¹ See the Official Notices (PCT Gazette) of 27 October 2016, pages 216 *et seq.*

Under PCT Rules 89*bis*.1(d) and 89*bis*.2, and pursuant to Sections 710(a)(i) and (iii) and 713 of the Administrative Instructions under the PCT, the Office, in its capacity as receiving Office, International Searching Authority, Authority specified for supplementary search and International Preliminary Examining Authority, has notified the International Bureau that, in addition to receiving and processing international applications filed using ePCT-Filing, it is prepared to receive and process subsequently filed documents for international applications filed using ePCT-Filing, with effect since 1 November 2016. Hence, the current means for filing international applications and/or subsequently filed documents with the Office are EPO Online Filing, PCT-SAFE, the EPO web-form filing service, the EPO case management system and ePCT-Filing.

Consequently, since 1 November 2016, the following notification replaces the updated version referred to in the second paragraph, above.

“FILING VIA EPO ONLINE FILING AND PCT-SAFE:

As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- ASCII (7- and 8-bit) (see Annex F, section 3.1.1.3)
- PDF (see Annex F, section 3.1.2)
- TIFF (for drawings and, in exceptional cases, description and claims; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))
- CD-R filing (see Annex F, section 5 and Appendix III, section 2(d) and (e))
- DVD-R or DVD+R filing (see Annex F, section 5)

As to electronic document packaging (Section 710(a)(i)):

- WAD (Wrapped Application Documents; see Annex F, section 4.1.1)
- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- EPO Online Filing software
- PCT-SAFE software

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The notification of receipt of any purported international application filed with the European Patent Office as receiving Office in electronic form will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The European Patent Office will make every effort to accept an international application in electronic form. Only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) or if the package submitted does not contain any files, will a notification or confirmation of receipt not be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or missing files are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the European Patent Office will promptly retransmit the notification of receipt by mail (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available. Only currently available means of payment are allowed.

As to details concerning help desks (Section 710(a)(ii)):

The European Patent Office has put in place a help desk to answer questions from users of the service. The help desk will be available between 8:00 a.m. and 6:00 p.m. Monday to Friday, excluding official holidays. The help desk may be contacted:

- by telephone at: 00 800 80 20 20 20
- by e-mail at: www.epo.org/service-support/contact-us.html

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international application
- subsequently filed documents (including the PCT Chapter II demand)

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The European Patent Office will accept the filing of documents in pre-conversion format under Section 706(a) and (f) of the Administrative Instructions. In particular, the files should be archived in ZIP format and contain either plain ASCII text or be created with one of the following word processing programs:

- Microsoft Word 97 and later releases
- Corel WordPerfect 6.1, 8 & 10 and later releases
- Writer of OpenOffice 2.0 and later releases (including the corresponding StarOffice products)

Any objects originating from other programs may be embedded into documents being generated by the word processing programs mentioned above as long as they can be viewed without loss of the information being contained in these objects.

Documents in a format other than those mentioned above may be attached in that format only if the applicant informs the European Patent Office at the time of filing where it can within reason acquire the relevant software.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

The European Patent Office will provide information concerning the availability of its online filing systems on its website (www.epo.org).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string (see Annex F, sections 3.3.1 and 3.3.2)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The notification of receipt of any purported international application filed with the European Patent Office as receiving Office in electronic form will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The European Patent Office will make every effort to accept an international application in electronic form. Only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) or if the package submitted does not contain any files, will a notification or confirmation of receipt not be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or missing files are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the European Patent Office will promptly retransmit the notification of receipt by mail (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available. Only currently available means of payment are allowed.

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international application
- subsequently filed documents through ePCT Document upload (including the PCT Chapter II demand)

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The European Patent Office will accept the filing of documents in pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

The European Patent Office will provide information concerning the availability of its online filing systems on its website (www.epo.org).

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

FI Finland

Under PCT Rule 89*bis*.1(d) and pursuant to Section 710(b) of the Administrative Instructions under the PCT, the **Finnish Patent and Registration Office (PRH)**, in its capacity as receiving Office, has notified the International Bureau, on 2 November 2016, of a number of changes to its notification published in the Official Notices (PCT Gazette) of 1 May 2014, pages 58 *et seq.*, and, in particular, that it will no longer accept international applications in electronic form filed using the PCT-SAFE software, with effect from 1 January 2017. Consequently, as from that date, the following notification will replace the aforementioned notification:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- on-line filing (see Annex F, section 5.1 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing
- EPO online filing software

As to types of electronic signature (Section 710(a)(i)):

- the international application must be signed by means of a basic electronic signature (text string or facsimile) or by means of an enhanced electronic signature (see Annex F, section 3.3)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed with the Office as receiving Office contains, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1), or if outdated certificates have been used, that a notification of receipt will not be generated. Other errors, such as applications being infected by viruses or other forms of malicious logic, are notified to the applicant in the acknowledgement of receipt. Where it transpires that an acknowledgement of receipt transmitted to the applicant by electronic means was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

No online payment is available. The following means of deferred payment are accepted: payment by debit card or by bank transfer.

As to details concerning help desks (Section 710(a)(ii)):

Within the framework of its service for the electronic filing of patents, the Office has put in place a help desk for applicants.

The task of this help desk is to answer questions from users of the service for the electronic filing of patents, and in particular to serve as a technical hotline in order to help applicants whenever bugs and other technical problems relating to the software and/or server are encountered.

This help desk is open from Monday to Friday, from 9.00 a.m. until 4.15 p.m.

The PRH patent help desk may be contacted as follows:

- by telephone: (358-0) 29509 5858
- by web form (in Finnish) at the following address:
https://www.prh.fi/fi/patentit/palvelut_ja_tietokannat/sahkoinenpatenttihakemus-olf/helpdesk.html
- further information:
<https://www.prh.fi/en/patentit/servicesanddatabases/patentadvisoryservice.html>

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications as supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application. The files should be in ZIP format and contain texts either in ASCII plain text or in any other commonly known format.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In the event of failure of the electronic systems when an international application is filed with it, the Office will use all means available to inform the applicant of alternative filing procedures.

The Office will provide on its website (www.prh.fi) information concerning possible interruptions in electronic filing services.

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

EPO online filing software:

- citizen certificates on identity cards issued by the Finnish Police (for the certificate policy, see www.fineid.fi/)
- organization certificates on organization cards issued by the Finnish Population Register Center (for the certificate policy, see www.fineid.fi/)
- European Patent Office certificate on EPO smart cards issued by the European Patent Office CA (for the certificate policy, see www.epo.org/applying/online-services/security.html)

ePCT-Filing:

- WIPO customer certificate issued by the WIPO Customer CA (for the certificate policy, see www.wipo.int/pct-safe/en/certificates.html)
- European Patent Office certificate on EPO smart cards issued by the European Patent Office CA (for the certificate policy, see www.epo.org/applying/online-services/security.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

ePCT private services provide access to files of international applications to the extent that they are available at the International Bureau.”

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

SG Singapore

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 15 December 2014, the **Intellectual Property Office of Singapore**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Section 710(a) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect from 1 January 2015, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- TXT (for certain files that accompany the international application, referenced by XML files; see Annex F, section 3.1.1.3)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- the international application must be signed by means of a basic electronic signature (text string or facsimile) or by means of an enhanced electronic signature (see Annex F, section 3.3)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by e-mail at: epct@ipos.gov.sg

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.ipos.gov.sg).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile, text string and click wrap types of signatures (see Annex F, sections 3.3.1 to 3.3.3)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names and sizes of the electronic files received (see Section 704(a)(v)) and the dates of creation of the electronic files received (see Section 704(a)(vi)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available through the ePCT or PCT-SAFE software. Online payment by credit card is possible through the Office's website (www.cipo.gc.ca).

As to details concerning help desks (Section 710(a)(ii)):

For questions concerning the preparation of the international application in electronic format using the PCT-SAFE software, contact WIPO directly:

- by facsimile at: (+41-22) 338 80 40
- through the WIPO website (www.wipo.int/tools/en/contacts/index.jsp?area=pct-safe)

The Office has put in place a help desk to answer questions relating to the uploading and submission of the international application through its website. The help desk will be available between 8.30 a.m. and 4.30 p.m. Monday to Friday, excluding official holidays. The help desk may be contacted:

- by telephone at: (+866) 997 19 36 (toll-free within Canada and the United States of America) or (+819) 934 05 44 (international)
- by facsimile at: (+819) 953 24 76
- via e-mail at: cipo.contact@ic.gc.ca
- through the Office's website (www.cipo.ic.gc.ca)

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.cipo.ic.gc.ca).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

MEETINGS OF THE INTERNATIONAL PATENT COOPERATION UNION – ASSEMBLY (FORTY-SIXTH (27TH EXTRAORDINARY) SESSION)

NOTE PREPARED BY THE INTERNATIONAL BUREAU

At its forty-sixth (27th extraordinary) session, which was held in Geneva from 22 to 30 September 2014 as part of the meetings of the Assemblies of the Member States of WIPO, the Assembly of the International Patent Cooperation Union (PCT Union) approved the following changes affecting the PCT system:

- appointment of a new International Searching and Preliminary Examining Authority;
- amendments to the PCT Regulations;
- establishment by the Director General of the first lists of States meeting the criteria referred to in item 5(a) and item 5(b) of the amended PCT Schedule of Fees;
- adoption of Directives for updating the above lists of States.

Documents which were prepared for the Assembly, and which give detailed background information relating to the decisions that were taken, as well as the report of the session, are available on the WIPO website at:

www.wipo.int/meetings/en/details.jsp?meeting_id=33287

The aforementioned changes are outlined below.

Appointment of a New International Searching and Preliminary Examining Authority

The Assembly appointed the Intellectual Property Office of Singapore as an International Searching and Preliminary Examining Authority with effect from the entry into force of the required Agreement until December 31, 2017, bringing the number of Offices which have been appointed as International Searching and Preliminary Examining Authorities to 20, and approved the text of the draft Agreement between the Intellectual Property Office of Singapore and the International Bureau. The text of the Agreement will be published in the Official Notices (PCT Gazette) in due course.

Amendments to the PCT Regulations

The amendments to the PCT Regulations will enter into force on 1 July 2015 and consist in:

- (i) revising the eligibility criteria for fee reductions for certain applicants from certain countries (amendment of item 5 of the PCT Schedule of Fees¹);

¹ In the case of reductions to the international filing fee, the Schedule of Fees as amended with effect from July 1, 2015, shall apply to any international application received by the receiving Office on or after July 1, 2015, but the Schedule of Fees as in force until June 30, 2015, shall continue to apply to any international application received before July 1, 2015, irrespective of what international filing date might later be given to such application (Rule 15.3); in the case of reductions to the handling fee and

- (ii) removing the fee reduction available for PCT-EASY filings (deletion of item 4(a) of the PCT Schedule of Fees);
- (iii) introducing a requirement for applicants making an express request for early national phase entry to file any request for the restoration of the right of priority at the designated or elected Office within one month from the date of receipt of the express request for early national phase entry (amendments of Rules 49ter.2(b)(i) and 76.5²);
- (iv) deleting a reference to paragraph (a) of Rule 90bis.5, consequential on the amendment of Rule 90bis.5 adopted by the PCT Assembly at its forty-third (25th extraordinary) session held from October 1 to 9, 2012 (amendment of Rule 90.3(c));
- (v) enabling the International Bureau, in cases where it receives a notice of withdrawal together with a copy of the general power of attorney, to process the notice of withdrawal without requiring the agent to submit a separate original power of attorney (amendments of Rule 90.5(d)³).

The text of the amendments is reproduced hereafter.

Directives for Updating the Above Lists of States

These Directives will enter into force on 1 July 2015. The text is reproduced hereafter.

DIRECTIVES FOR UPDATING THE LISTS OF STATES
MEETING THE CRITERIA FOR REDUCTION OF CERTAIN PCT FEES

The Assembly establishes in the following terms the directives referred to in the Schedule of Fees, it being understood that, in the light of experience, the Assembly may at any time modify these directives:

1. Five years after the establishment of the first list of States which meet the criteria referred to in items 5(a) and (b) of the Schedule of Fees, and every five years thereafter, the Director General shall prepare draft lists of States which appear to meet the criteria referred to in:

(i) item 5(a) of the Schedule of Fees according to the most recent 10-year average per capita gross domestic product figures from the United Nations and according to the most recent five-year average yearly PCT filing figures by the International Bureau, respectively, published at least two weeks prior to the first day of the session of the Assembly in September/October of that year;

(ii) item 5(b) of the Schedule of Fees according to the most recent list of countries classified as least developed countries by the United Nations published at least two weeks prior to the first day of the session of the Assembly in September/October of that year;

and shall make those lists available to the PCT Contracting States and States entitled to observer status in the Assembly for comment before the end of that session of the Assembly.

2. Following the end of that session of the Assembly, the Director General shall establish new lists, taking into account any comments received. The revised lists shall become applicable on the first day of the calendar year subsequent to that session and shall be used to determine, in accordance with Rules 15.3, 45bis.2(c) and 57.3(d), the eligibility for the fee reduction under items 5(a) and (b), respectively, of the Schedule of Fees of any relevant fee payable. Any revised list shall be published in the Gazette.

3. Where any State is not included in a particular list but subsequently becomes eligible for inclusion in that list due to the publication, after the expiration of the period of two weeks prior to the first day of the session of the Assembly referred to in paragraph 1, above, of revised per capita gross domestic product figures by the United Nations or revised PCT filing figures by the International Bureau, or of a revised list of States that are being classified as least developed countries by the United Nations, that State may request the Director General to revise the relevant list of States so as to include that State in the relevant list. Any such revised list shall become applicable on a date to be specified by the Director General, that date being no more than three months from the date of receipt of the request. Any revised list shall be published in the Gazette.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

LV Latvia

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 28 January 2015, the **Latvian Patent Office**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect from 1 March 2015, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by e-mail at: epct@lrpv.gov.lv

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.lrpv.gov.lv).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

INFORMATION ON CONTRACTING STATES

AU Australia

The **Australian Patent Office** has notified changes concerning:

– the provisions of the law of Australia concerning international-type search – these provisions now consist in Regulation 3.14A of the Patents Regulations;

– the provisions relating to provisional protection after international publication – the applicant now enjoys the rights defined in Section 57 of the Patents Act 1990 from the date on which the international application is published under PCT Article 21 or otherwise becomes open to public inspection under Section 56A of the Patents Act 1990 and Regulation 4.4 of the Patents Regulations (the rights are generally the same as he would have had if the patent had been granted on the day that the specification is published except that he cannot institute proceedings for infringement until the patent has been granted).

[Updating of Annex B1(AU) of the *PCT Applicant's Guide*]

US United States of America

Because of bad weather conditions, the **United States Patent and Trademark Office (USPTO)** was not open to the public for the purposes of the transaction of official business on 17 February 2015.

Consequently, pursuant to PCT Rule 80.5, if the expiration of any period during which any document or fee in connection with an international application was required to reach the Office fell on the aforementioned day, that period was extended so as to expire on 18 February 2015.

DEPOSITS OF MICROORGANISMS AND OTHER BIOLOGICAL MATERIAL: INSTITUTIONS WITH WHICH DEPOSITS MAY BE MADE

IT Italy

Pursuant to PCT Rule 13*bis*.7(b), the International Bureau has been notified of a depositary institution having acquired the status of international depositary authority under the Budapest Treaty on the International Recognition of the Deposit of Microorganisms for the Purposes of Patent Procedure with which deposits of microorganisms and other biological material may be made, with effect since 9 February 2015, as follows:

Istituto Zooprofilattico Sperimentale della Lombardia e dell'Emilia Romagna "Bruno Ubertini" (IZSLER)
IZSLER Biobank of Veterinary Resource (IZSLER BVR)

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: WITHDRAWAL BY RECEIVING OFFICES OF NOTIFICATION OF INCOMPATIBILITY UNDER SECTION 703(F) OF THE ADMINISTRATIVE INSTRUCTIONS UNDER THE PCT

AU Australia

On 7 April 2002, the **Australian Patent Office**, in its capacity as receiving Office, notified the International Bureau, under Section 703(f) of the Administrative Instructions under the PCT, of the incompatibility of its national law and the technical systems of the Office with items (ii) to (iv) of Section 703(b) of the Administrative Instructions, insofar as these items related to sections 5.1 and 5.2.1 of Annex F, as well as to section 2(d), (f) and (g) of Appendix III of Annex F, of the Administrative Instructions (see PCT Gazette No. 18/2002, of 2 May 2002, page 8974).

On 14 July 2005, the Office notified the International Bureau that it withdrew the above-mentioned notification of incompatibility as far as section 5.2.1 of Annex F and section 2(f) and (g) of Appendix III of Annex F of the Administrative Instructions were concerned, with effect from 18 July 2005 (see PCT Gazette No. 31/2005, of 4 August 2005, page 20184).

On 13 February 2015, the Office notified the International Bureau that it withdrew the above-mentioned notification of incompatibility as far as section 5.1 of Annex F and section 2(d) of Appendix III of Annex F of the Administrative Instructions were concerned, with effect from the same date, thus removing the remaining reservation relating to such incompatibility.

RESTORATION OF RIGHT OF PRIORITY BY RECEIVING OFFICES: WITHDRAWAL BY RECEIVING OFFICES OF NOTIFICATION OF INCOMPATIBILITY WITH NATIONAL LAWS UNDER PCT RULE 26BIS.3(J)

JP Japan

Further to its notification of incompatibility with its national law under PCT Rule 26*bis*.3(j) (see PCT Gazette No. 14/2006, of 6 April 2006, page 10048), the **Japan Patent Office**, in its capacity as receiving Office, has notified the International Bureau that it withdraws the said notification with effect from 1 April 2015. PCT Rule 26*bis*.3(a) to (i) will therefore apply to international applications filed on or after that date.

[Updating of Annex C(JP) of the *PCT Applicant's Guide*]

**EFFECT OF RESTORATION OF RIGHT OF PRIORITY BY RECEIVING OFFICES:
WITHDRAWAL BY DESIGNATED OFFICES OF NOTIFICATION OF
INCOMPATIBILITY WITH NATIONAL LAWS UNDER PCT RULE 49TER.1(G)**

JP Japan

Further to its notification of incompatibility with its national law under PCT Rule 49ter.1(g) (see PCT Gazette No. 14/2006, of 6 April 2006, page 10050), the **Japan Patent Office**, in its capacity as designated Office, has notified the International Bureau that it withdraws the said notification with effect from 1 April 2015. PCT Rule 49ter.1(a) to (d) will therefore apply to international applications filed on or after that date.

**RESTORATION OF RIGHT OF PRIORITY BY DESIGNATED OFFICES:
WITHDRAWAL BY DESIGNATED OFFICES OF NOTIFICATION OF
INCOMPATIBILITY WITH NATIONAL LAWS UNDER PCT RULE 49TER.2(H)**

JP Japan

Further to its notification of incompatibility with its national law under PCT Rule 49ter.2(h) (see PCT Gazette No. 14/2006, of 6 April 2006, page 10050), the **Japan Patent Office**, in its capacity as designated Office, has notified the International Bureau that it withdraws the said notification with effect from 1 April 2015. PCT Rule 49ter.2(a) to (g) will therefore apply to international applications filed on or after that date.

BN Brunei Darussalam – Corrigendum

The list of competent International Searching and Preliminary Examining Authorities for international applications filed with the **Patent Registry Office (Brunei Darussalam)** as published in the Official Notices (PCT Gazette) of 20 June 2013, page 75, was erroneous. On that date, the European Patent Office (EPO) was the only competent Authority; requirements relating to the other three Offices indicated (the Australian Patent Office, the Austrian Patent Office and the Korean Intellectual Property Office) had not yet been met.

Requirements relating to the Australian Patent Office were met on 23 March 2015. As a result, the Patent Registry Office (Brunei Darussalam) has specified the said Office, in addition to the European Patent Office (EPO), as competent International Searching and Preliminary Examining Authority for international applications filed by nationals and residents of Brunei Darussalam with the Patent Registry Office (Brunei Darussalam), or with the International Bureau, with effect from that date.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

EE Estonia

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 16 April 2015, the **Estonian Patent Office**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect from 1 May 2015, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by e-mail at: vastuvoett@epa.ee

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.epa.ee).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

ADMINISTRATIVE INSTRUCTIONS UNDER THE PCT: MODIFICATIONS TO APPENDIX I OF ANNEX F

NOTE PREPARED BY THE INTERNATIONAL BUREAU

Following consultation with interested Offices and Authorities pursuant to PCT Rule 89.2(b), and as a result of the change procedure provided for in section 2.5.5 (Expedited consideration of change proposals) of Annex F of the Administrative Instructions under the PCT, modifications to section 3.6 (Fee sheet) of Appendix I of Annex F of the Administrative Instructions are promulgated with effect from 1 July 2015.

These modifications are intended to address the requirements for an additional means of payment of fees. Due to their highly technical content, they are not reproduced here.

The consolidated text of Appendix I as in force from 1 July 2015 (PCT/AI/DTD/11) is available on the WIPO website at:

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.upv.cz/).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)
- Certification Authority (CA) for the European Patent Office (www.epoline.org/security/EPO_PKI_CPS.pdf)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

DZ Algeria

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 11 June 2015, the **Algerian National Institute of Industrial Property**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions, that it is prepared to receive and process international applications in electronic form with effect from 1 July 2015, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by e-mail at: e-pct@inapi.dz

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.inapi.dz).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

RECEIVING OFFICES

US United States of America

The **United States Patent and Trademark Office (USPTO)** has specified the Japan Patent Office, in addition to the Australian Patent Office, the European Patent Office (EPO), the Federal Service for Intellectual Property (Rospatent) (Russian Federation), the Israel Patent Office, the Korean Intellectual Property Office and the

USPTO, as competent International Searching and International Preliminary Examining Authority for certain international applications filed by nationals and residents of the United States of America with the USPTO, or with the International Bureau, with effect from 1 July 2015.

The Japan Patent Office will act as an International Searching Authority and International Preliminary Examining Authority for international applications filed with the USPTO insofar as the following conditions are met:

- the international application is submitted in English;
- the claims of the international application are directed to the field of green technology as defined by the International Patent Classification classes reproduced hereafter, on pages 108 to 114; and
- the Japan Patent Office has not received more than 5,000 international applications from the USPTO during the three-year period from 1 July 2015 to 30 June 2018, not more than 300 applications per quarter during the first year, and not more than 475 applications per quarter during the second and third years.

Furthermore, the Japan Patent Office will act as an International Preliminary Examining Authority only where it has acted as an International Searching Authority.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

MX Mexico

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 12 June 2015, the **Mexican Institute of Industrial Property**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions, that it is prepared to receive and process international applications in electronic form with effect since 1 July 2015, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by e-mail at: epct-info@impi.gob.mx

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.impi.gob.mx).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

FEES PAYABLE UNDER THE PCT

MX Mexico

Following the notification by the **Mexican Institute of Industrial Property** as receiving Office that it is prepared to receive and process international applications in electronic form since 1 July 2015 (see above), equivalent amounts in **US dollar (USD)** have been established for two of the reductions under item 4 of the PCT Schedule of Fees, with effect since the same date, as follows:

Electronic filing (the request being in character coded format):	USD	208

Agreement between the Intellectual Property Office of Singapore and the International Bureau of the World Intellectual Property Organization¹

The **Intellectual Property Office of Singapore** has notified the International Bureau, in accordance with Article 9 of the above-mentioned Agreement, that it is prepared to start functioning as an International Searching Authority and International Preliminary Examining Authority, as well as an Authority specified for supplementary search, with effect from 1 September 2015.

The Agreement, which is set out on pages 139 to 145, will enter into force on that date.

Pursuant to the decision of the Assembly of the International Patent Cooperation Union (PCT Union) at its forty-sixth (27th extraordinary) session, held in Geneva from 22 to 30 September 2014, to appoint the Intellectual Property Office of Singapore as an International Searching Authority and International Preliminary Examining Authority², that appointment will also have effect from 1 September 2015.

Further information on the requirements of the Office as International Searching Authority, Authority specified for supplementary search and International Preliminary Examining Authority is given in Annexes D(SG), SISA(SG) and E(SG), which are published on pages 146 to 151.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

QA Qatar

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 27 July 2015, the **Intellectual Property Department (Qatar)**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713(b) of the Administrative Instructions, that it is prepared to receive and process international applications in electronic form with effect from 1 September 2015, as follows:

¹ The Agreement will soon be available on the WIPO website at:
www.wipo.int/pct/en/texts/agreements/ag_sg.pdf.

² See the Official Notices (PCT Gazette) of 12 February 2015, page 28.

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JPEG (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.mec.gov.qa).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)
- Certification Authority (CA) for the European Patent Office (www.epoline.org/security/EPO_PKI_CPS.pdf)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

FEES PAYABLE UNDER THE PCT

QA Qatar

Following the notification by the **Intellectual Property Department (Qatar)** that it is prepared to receive and process international applications in electronic form from 1 September 2015 (see above), the reductions under sub-items 4(b) and (c) of the PCT Schedule of Fees are applicable from the same date. The amounts of these reductions will be the equivalent amounts in **Qatari riyal (QAR)** of 208 and 312 US dollars (USD), respectively.

Agreement between the Intellectual Property Office of Singapore and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the Intellectual Property Office of Singapore
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Intellectual Property Office of Singapore and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Intellectual Property Office of Singapore as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
 - (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;

- (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
- (e) “Rule” means a Rule of the Regulations;
- (f) “Contracting State” means a State party to the Treaty;
- (g) “the Authority” means the Intellectual Property Office of Singapore;
- (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

(4) The Authority shall conduct supplementary international searches in accordance with Rule 45*bis*, covering at least the documentation referred to in Annex E to this Agreement, subject to any limitations and conditions set out in that Annex.

Article 4 **Subject Matter Not Required to Be Searched or Examined**

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex B to this Agreement.

Article 5 **Fees and Charges**

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex C to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6 Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate solely the International Patent Classification.

Article 7 Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex D.

Article 8 International-Type Search

The Authority shall carry out international-type searches to the extent decided by it.

Article 9 Entry into Force

This Agreement shall enter into force on a date to be notified to the Director General of the World Intellectual Property Organization by the Authority, that date being at least one month later than the date on which the notification is made.

Article 10 Duration and Renewability

This Agreement shall remain in force until December 31, 2017. The parties to this Agreement shall, no later than July 2016, start negotiations for its renewal.

Article 11 Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement in writing between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement in writing between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the schedule of fees and charges contained in Annex C to this Agreement;
- (iii) amend the indications of languages of correspondence contained in Annex D to this Agreement;
- (iv) amend the indications and information concerning supplementary international searches contained in Annex E to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that, for any change in the currency or amount of fees or charges contained in Annex C, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex C, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

(1) This Agreement shall terminate before December 31, 2017:

- (i) if the Authority gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
- (ii) if the Director General of the World Intellectual Property Organization gives the Authority written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

DK Denmark

Under PCT Rule 89*bis*.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the **Danish Patent and Trademark Office**, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notifications published in PCT Gazette No. 35/2005, of 1 September 2005, pages 22816 *et seq.*, and in the Official Notices (PCT Gazette) of 26 June 2008, page 90, and, in particular, that it is prepared to accept international applications filed using ePCT-Filing and will no longer accept international applications in electronic form filed on physical media, with effect from 1 September 2015. Consequently, as from that date, the following notification will replace the aforementioned notifications:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-filing
- EPO online filing software
- PCT-SAFE software

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by e-mail at: pvs@dkpto.dk

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.dkpto.org).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

PL Poland

Under PCT Rule 89*bis*.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the **Patent Office of the Republic of Poland**, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notification published in PCT Gazette No. 05/2006, of 2 February 2006, pages 3180 *et seq.*, and, in particular, that it is prepared to accept international applications filed using ePCT-Filing and will no longer accept international applications in electronic form filed on physical media, with effect since 1 November 2015. Consequently, since that date, the following notification replaces the aforementioned notification:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5, and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing
- *epoline*® software
- PCT-SAFE software

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 and 3.3.2, and Appendix III, section 2(i))
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk will be available between 8.00 a.m. and 4.00 p.m. Monday to Friday, excluding official holidays. It may be contacted:

- by e-mail at: eolfsupport@uprp.pl

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of online filing systems on its website (www.uprp.pl).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- Certification Authority (CA) for the European Patent Office (www.epoline.org/security/EPO_PKI_CPS.pdf)
- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

NO Norway

Under PCT Rule 89*bis*.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the **Norwegian Industrial Property Office**, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notification published in the Official Notices (PCT Gazette) of 15 December 2011, pages 182 *et seq.*, and, in particular, that it is prepared to accept international applications filed using ePCT-Filing and will no longer accept international applications in electronic form filed on physical media, with effect since 1 December 2015. Consequently, since that date, the following notification replaces the aforementioned notification:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JFIF (see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-filing
- PCT-SAFE software
- EPO online filing software

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain the mandatory information required under Section 704(a)(i) to (iv), the names and sizes of the electronic files received (see Section 704(a)(v)) and the dates of creation of the electronic files received (see Section 704(a)(vi)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available. Only currently available means of payment are allowed.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk will be available between 9.00 a.m. and 3.00 p.m. Monday to Friday, excluding official holidays. It may be contacted:

- by telephone at: +47 22 38 73 33
- by e-mail at: post@patentstyret.no

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept filing of documents in pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.patentstyret.no).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (see www.wipo.int/pct-safe/en/certificates.html)
- Certification Authority (CA) for the European Patent Office (see www.epoline.org/security/EPO_PKI_CPS.pdf)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

ePCT private services provide access to files of international applications to the extent that they are available at the International Bureau.”

FEES PAYABLE UNDER THE PCT

IB International Bureau

For the purposes of the **International Bureau** as receiving Office, new equivalent amounts of fees in **euro (EUR)** and **US dollar (USD)** have been established. These amounts, applicable from 1 January 2016, are as follows:

MEETINGS OF THE INTERNATIONAL PATENT COOPERATION UNION – ASSEMBLY (FORTY-FOURTH (19TH ORDINARY) SESSION)

NOTE PREPARED BY THE INTERNATIONAL BUREAU

A number of amendments to the PCT Regulations, as well as the appointment of a new International Searching and Preliminary Examining Authority, were approved by the Assembly of the International Patent Cooperation Union (PCT Union) at its forty-fourth (19th ordinary) session, which was held in Geneva from 23 September to 2 October 2013 as part of the meetings of the Assemblies of the Member States of WIPO.

Documents which were prepared for the Assembly, and which give detailed background information relating to the decisions that were taken, as well as the report of the session, are available on the WIPO website at:

www.wipo.int/meetings/en/details.jsp?meeting_id=29898

The said amendments and appointment are outlined below.

Appointment of a new International Searching and Preliminary Examining Authority

The Assembly appointed the State Intellectual Property Service of Ukraine as an International Searching and Preliminary Examining Authority with effect from the entry into force of the required Agreement until December 31, 2017, bringing the number of Offices which have been appointed as International Searching and Preliminary Examining Authorities to 19, and approved the text of the draft Agreement between the State Intellectual Property Service of Ukraine and the International Bureau. The text of the Agreement will be published in the Official Notices (PCT Gazette) in due course.

Amendments to the PCT Regulations

The amendments to the PCT Regulations will enter into force on 1 July 2014 and consist of:

(i) requiring International Preliminary Examining Authorities to conduct a “top-up” search during international preliminary examination, subject to various exceptions (addition of PCT Rules 66.1~~ter~~ and 70.2(f));¹

(ii) allowing written opinions of the International Searching Authority (in their original language) and informal comments submitted by the applicant in response to such opinions (in their original language) to be publicly available from the date of international publication (deletion of PCT Rule 44~~ter~~ and amendment of Rule 94.1(b)).²

The text of the amendments is reproduced thereafter.

¹ These amendments shall apply to any international application, irrespective of its international filing date, in respect of which a demand for international preliminary examination is made on or after July 1, 2014.

² These amendments shall apply to any international application whose international filing date is on or after July 1, 2014.

DESIGNATED (OR ELECTED) OFFICES

CA Canada

The **Canadian Intellectual Property Office** has notified changes in its special requirements under PCT Rule 51*bis*. The consolidated list of requirements reads as follows:

If the applicant does not reside or carry out business in Canada, an appointment as a representative for service of a person or firm residing or carrying on business at a specified address in Canada.

If the applicant is not the inventor, either a declaration that the applicant is the legal representative of the inventor or a declaration as to the applicant's entitlement to apply for and be granted a patent in accordance with PCT Rule 4.17.

If the applicant is not the applicant originally indicated in the international application, evidence that the applicant is the legal representative of the originally identified applicant.

Appointment of an agent if the applicant is not the inventor. If the appointed agent does not reside in Canada, the appointment by the agent of an agent who resides in Canada to be the associate agent.

Furthermore, the Office has notified a change concerning its requirement as to who can act as agent before it – any person or firm whose name is entered on the Canadian register of patent agents can now act as such.

- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available. Only currently available means of payment are allowed.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk will be available between 9.00 a.m. and 2.00 p.m., Monday to Friday, excluding official holidays. The help desk may be contacted:

- by telephone at +43 1 53 424 76
- by fax at +43 1 53 424 535
- by e-mail at info@patentamt.at

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications as supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.patentamt.at).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- European Patent Office CA (www.epoline.org/portal/public)
- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

No online file inspection by applicants is provided for at present.”

SE Sweden

Under PCT Rule 89*bis*.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the **Swedish Patent and Registration Office**, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notification published in PCT Gazette No. 47/2005, of 24 November 2005, pages 31398 *et seq.*, and in particular, that it is prepared to accept international applications filed using ePCT-filing and will no longer accept international applications in electronic form filed on physical media, with effect from 1 March 2014. Consequently, as from that date, the following notification will replace the aforementioned notification:

As to means of transmittal (Section 710(a)(i)):

- Using ePCT-Filing where international applications are transmitted using the protocol specified in Annex F, section 5 and Appendix III, section 2(d) of the Administrative Instructions; or
- International applications can be prepared with the PCT-SAFE software, saved on the user’s hard drive and then transmitted to the Office via its Online Lodgement System (see www.ipaustralia.gov.au). Access to the Online Lodgement System requires user id and password authentication via a customer registration process through the Office’s Online Services.
- Note:
- Where the complete application exceeds 20 MB, online transmittal is not supported using the Online Lodgement System;
- Where a component file within the application exceeds 20 MB, online transmittal is not supported using ePCT-Filing;
- When online filing is not available the application shall then be filed on paper.

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing
- PCT-SAFE software

As to types of electronic signature (Section 710(a)(i)):

- Facsimile, text string or click-wrap signatures (see Annex F, sections 3.3.1 to 3.3.3)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The confirmation of receipt of any purported international application filed in electronic form with the Office contains, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)). The Office will make every effort to accept an international application in electronic form. A confirmation of receipt will be created for any purported international application filed in electronic form with the Office. Errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)), files exceeding 20MB in size, or missing files, are notified to the applicant in the confirmation of receipt.

As to methods of online payment (Section 710(a)(ii)):

Online payment is available through the Office's website (www.ipaustralia.gov.au). Applicants wishing to use this facility should refer to the Office's website for further details prior to entering payment information into the PCT-SAFE software.

As to details concerning help desks (Section 710(a)(ii)):

Within the framework of its services, the Office has put in place a help desk for applicants filing international applications in electronic form. The Customer Services Network helpdesk can be contacted for all general enquiries.

The help desk is open from Monday to Friday from 9 a.m. to 5 p.m. Australian Eastern Standard/Summer Time (AEST) and can be contacted by the following means:

- by phone at +61 2 6283 2999
- by e-mail at pct@ipaustralia.gov.au

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- International Applications prepared with PCT-SAFE software that do not exceed 20 MB may be sent through the Online Lodgement System.
- International Applications where individual components do not exceed 20 MB may be submitted via ePCT-Filing.
- Subsequently filed documents for International Applications as supported by the relevant software.

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will not accept the filing of backup copies on paper. Furthermore, the Office will not prepare a backup copy of the international application on paper at the request of the applicant.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In the event of failure of the electronic systems when an international application is filed with it, the Office will use all means available to it, such as e-mail, to inform the applicant of alternative filing procedures. The Office will provide information concerning the availability of online filing systems on its website (www.ipaustralia.gov.au/about-us/news-and-media/latest-news-listing/).

The Office also offers a subscription service for notifications of any scheduled system downtimes: (www.ipaustralia.gov.au/about-us/news-and-media/stay-informed/downtime-subscription/).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

For applications prepared with PCT-SAFE and transmitted to the Office via its Online Lodgement System:

- Gatekeeper ABN-DSC
(www.verisign.com.au/gatekeeper/abndsc-info/index.html)
- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)

For applications filed using ePCT-Filing:

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

- No online file inspection by applicants is provided for at present for applications prepared using the PCT-SAFE software and filed via the Online Lodgement System.
- Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

FI Finland

Under PCT Rule 89*bis*.1(d) and Section 710(b) of the Administrative Instructions under the PCT, the **Finnish Patent and Registration Office (PRH)**, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notifications published in PCT Gazette No. 51/2003, of 18 December 2003, pages 29014 *et seq.*, and in the Official Notices (PCT Gazette) of 9 July 2009, pages 118 *et seq.*, and, in particular, that it is prepared to accept international applications filed using ePCT-Filing, with effect since 14 April 2014. Consequently, since that date, the following notification replaces the aforementioned notifications:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- on-line filing (see Annex F, section 5.1 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing
- PCT-SAFE software
- EPO online filing software

As to types of electronic signature (Section 710(a)(i)):

- the international application must be signed by means of a basic electronic signature (text string or facsimile) or by means of an enhanced electronic signature (see Annex F, section 3.3)
- the international application is embedded in a compact package which is signed by means of a PKCS #7-type enhanced electronic signature (see Annex F, section 3.3.4). Such an enhanced electronic signature is implemented by means of a smart card and recognised by the Office

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed with the Office as receiving Office contains, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1), or if outdated certificates have been used, that a notification of receipt will not be generated. Other errors, such as applications being infected by viruses or other forms of malicious logic, are notified to the applicant in the acknowledgment of receipt. Where it transpires that an acknowledgment of receipt transmitted to the applicant by electronic means was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

No online payment is available. The following means of deferred payment are accepted: payment by debit card or by bank transfer.

As to details concerning help desks (Section 710(a)(ii)):

Within the framework of its service for the electronic filing of patents, the Office has put in place a help desk for applicants.

The task of this help desk is to answer questions from users of the service for the electronic filing of patents, and in particular to serve as a technical hotline in order to help applicants whenever bugs and other technical problems relating to the software and/or server are encountered.

This help desk is open from Monday to Friday, from 8.00 a.m. until 4.00 p.m.

The PRH patent help desk may be contacted as follows:

- by telephone: (358-9) 6939 5948
- by web form at the following address:
www.prh.fi/en/patentit/electronic_services/helpdesk.html

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications as supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application. The files should be in ZIP format and contain texts either in ASCII plain text or in any other commonly known format.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In the event of failure of the electronic systems when an international application is filed with it, the Office will use all means available to inform the applicant of alternative filing procedures.

The Office will provide on its website (www.prh.fi/en/patentit/electronic_services.html) information concerning the availability of electronic filing systems.

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

EPO online filing software:

- citizen certificates on identity cards issued by the Finnish Police (for the certificate policy, see www.fineid.fi/)
- organization certificates on organization cards issued by the Finnish Population Register Center (for the certificate policy, see www.fineid.fi/)
- European Patent Office certificate on EPO smart cards issued by the European Patent Office CA (for the certificate policy, see www.epo.org/applying/online-services/security.html)

PCT-SAFE software and ePCT-Filing:

- WIPO customer certificate issued by the WIPO Customer CA (for the certificate policy, see www.wipo.int/pct-safe/en/certificates.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

ePCT private services provide access to files of international applications to the extent that they are available at the International Bureau.”

FEES PAYABLE UNDER THE PCT

- by telephone: (+41-22) 338 9523
- by facsimile: (+41-22) 338 8040

Every attempt will be made to respond to e-mail questions within one business day.

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of electronic systems when an international application is filed with it, the International Bureau as receiving Office will use all means available to it, such as e-mail or facsimile, to inform the applicant about procedures to follow as alternatives.

The International Bureau as receiving Office will provide, on the PCT Electronic Services website (www.wipo.int/pct-safe), information concerning the availability of online filing systems and backup filing procedures.

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)
- the International Bureau as receiving Office will also accept certificates issued by certification authorities which are accepted by other PCT receiving Offices and which have been notified accordingly to the International Bureau under Section 710, provided that such certificates are permitted, under the relevant certificate policy, to be used for filing with the International Bureau as receiving Office

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

- ePCT private services provide access to the files of international applications to the extent that they are available at the International Bureau.”

**Agreement
between the National Institute of Industrial Property of Chile
and the International Bureau of the World Intellectual Property Organization**

in relation to the functioning of the National Institute of Industrial Property of Chile
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The National Institute of Industrial Property of Chile and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the National Institute of Industrial Property of Chile as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

**Article 1
Terms and Expressions**

- (1) For the purposes of this Agreement:
- (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the National Institute of Industrial Property of Chile;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

Article 4 **Subject Matter Not Required to Be Searched or Examined**

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex B to this Agreement.

Article 5 **Fees and Charges**

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex C to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6 **Classification**

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate solely the International Patent Classification.

Article 7
Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex D.

Article 8
International-Type Search

The Authority shall carry out international-type searches to the extent decided by it.

Article 9
Entry into Force

This Agreement shall enter into force on October 22, 2014.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2017. The parties to this Agreement shall, no later than July 2016, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the schedule of fees and charges contained in Annex C to this Agreement;

- (iii) amend the indications of languages of correspondence contained in Annex D to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that, for any change in the currency or amount of fees or charges contained in Annex C, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex C, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

- (1) This Agreement shall terminate before December 31, 2017:
 - (i) if the Authority gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
 - (ii) if the Director General of the World Intellectual Property Organization gives the Authority written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

Done at Geneva, this fourth day of June two thousand and fourteen, in two originals in the English and Spanish languages, each text being equally authentic.

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

EA Eurasian Patent Organisation

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 8 August 2014, the **Eurasian Patent Office (EAPO)**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Section 710(a) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect from 1 September 2014, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- on-line filing (see Annex F, section 5.1 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- the international application must be signed by means of a basic electronic signature (text string or facsimile) or by means of an enhanced electronic signature (see Annex F, section 3.3)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgment of receipt of any purported international application filed with the EAPO as receiving Office contains, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The EAPO will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1), or if outdated certificates have been used, that a notification of receipt will not be generated. Other errors, such as applications being infected by viruses or other forms of malicious logic, are notified to the applicant in the acknowledgment of receipt. Where it transpires that an acknowledgment of receipt transmitted to the applicant by electronic means was not successfully transmitted, the EAPO will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

No online payment is available. The following means of deferred payment are accepted: deposit account or payment by bank transfer.

As to details concerning help desks (Section 710(a)(ii)):

The EAPO has put in place a help desk (EAPO hot line) for applicants.

The task of this help desk is to answer questions from users filing applications at the EAPO.

This help desk is open from Monday to Friday, from 9.00 a.m. until 5.00 p.m.

The EAPO help desk may be contacted as follows:

- by telephone: (74-95) 411 61 50
- by e-mail at the following address:
hotline@eapo.org

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications as supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application. The files should be in ZIP format and contain texts either in ASCII plain text or in any other commonly known format.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In the event of failure of the electronic systems when an international application is filed with it, the EAPO will use all means available to inform the applicant of alternative filing procedures.

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

– WIPO customer certificate issued by the WIPO Customer CA (for the certificate policy, see www.wipo.int/pct-safe/en/certificates.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

ePCT private services provide access to files of international applications to the extent that they are available at the International Bureau.”

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

MY Malaysia

Under PCT Rules 89*bis*.1(d) and 89*bis*.2, and pursuant to Section 710(b) of the Administrative Instructions under the PCT, the **Intellectual Property Corporation of Malaysia**, in its capacity as receiving Office, has notified the International Bureau of a number of changes to its notification published in PCT Gazette No. 44/2006, of 2 November 2006, pages 19118 *et seq.*, and, in particular, that it is prepared to accept international applications filed using ePCT-Filing, with effect from 1 October 2014. Consequently, as from that date, the following notification will replace the aforementioned notification:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- TXT (for certain files that accompany the international application, referenced by XML files; see Annex F, section 3.1.1.3)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing
- PCT-SAFE software¹

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk will be available between 8.15 a.m. and 5.15 p.m. Monday to Friday, excluding official holidays. The help desk may be contacted:

¹ Until 31 October 2014.

- by fax at: +603-2299 8989
- by e-mail at: ipmalaysia@myipo.gov.my, pct@myipo.gov.my

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.myipo.gov.my).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

NZ New Zealand

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 24 September 2014, the **Intellectual Property Office of New Zealand**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Section 710(a) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect from 1 October 2014, as follows:

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

BR Brazil

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 15 October 2014, the **National Institute of Industrial Property (Brazil)**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713 of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect since 20 October 2014, as follows:

“As to electronic document formats (Section 710(a)(i)):

- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application ; see Annex F, section 3.1.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by e-mail at: faleconosco@inpi.gov.br

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will not accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.inpi.gov.br).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

- international application
- subsequently filed documents (including the PCT Chapter II demand)

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The European Patent Office will accept the filing of documents in pre-conversion format under Section 706(a) and (f) of the Administrative Instructions. In particular, the files should be archived in ZIP format and contain either plain ASCII text or be created with one of the following word processing programs:

- Microsoft Word 97 and later releases
- Corel WordPerfect 6.1, 8 & 10 and later releases
- Writer of OpenOffice 2.0 and later releases (including the corresponding StarOffice products)

Any objects originating from other programs may be embedded into documents being generated by the word processing programs mentioned above as long as they can be viewed without loss of the information being contained in these objects.

Documents in a format other than those mentioned above may be attached in that format only if the applicant informs the European Patent Office at the time of filing where it can within reason acquire the relevant software.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when electronic systems of the Office are not available (see Section 710(a)(v)):

The European Patent Office will provide information concerning the availability of its online filing systems on its website (www.epo.org).

IN India

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 3 November 2014, the **Indian Patent Office**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Sections 710(a) and 713 of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect from 15 November 2014, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- on-line filing (see Annex F, section 5.1 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgment of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by e-mail at: patentin-pct@nic.in

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.ipindia.nic.in).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO Customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

NZ New Zealand – Corrigendum

Further to the notification published in the Official Notices (PCT Gazette) of 25 September 2014, pages 140 *et seq.*, the part relating to electronic filing software should be corrected to read as follows:

Agreement between the European Patent Organisation and the International Bureau of the World Intellectual Property Organization¹ – Amendment to Annex A

The **European Patent Office (EPO)** has notified the International Bureau, in accordance with Article 11(2) of the above-mentioned Agreement, of an amendment to Annex A thereof. This amendment, which will enter into force on 1 January 2015 and will be applicable to all international applications filed on or after that date, consists in withdrawing the limitation of competence applied by the Office, as International Searching and Preliminary Examining Authority, to international applications filed by nationals or residents of the United States of America with the United States Patent and Trademark Office (USPTO) or the International Bureau as receiving Office, where such applications contain claims relating to business methods. The amended Annex A will read as follows:

“Annex A Languages and Kinds of Application

Under Article 3 of the Agreement, the Authority specifies:

- (i) [no change]
- (ii) the following kinds of application for which it will not act:
as an International Preliminary Examining Authority, international applications where the international search is to be, or has been, performed by an International Searching Authority other than the European Patent Office or the industrial property Office of a State party to the European Patent Convention.”

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

CL Chile

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 17 October 2014, the **National Institute of Industrial Property (Chile)**, in its capacity as receiving Office, notified the International Bureau, under PCT Rules 89*bis*.1(d) and 89*bis*.2 and pursuant to Section 710(a) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect from 1 January 2015, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- TXT (for certain files that accompany the international application, referenced by XML files; see Annex F, section 3.1.1.3)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string signatures (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk will be available between 8.15 a.m. and 5.15 p.m. Monday to Friday, excluding official holidays. The help desk may be contacted:

- by telephone at: (56-2) 28 87 05 50
- by e-mail at: pct@inapi.cl

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as e-mail, to inform the applicant about procedures to follow as alternatives.

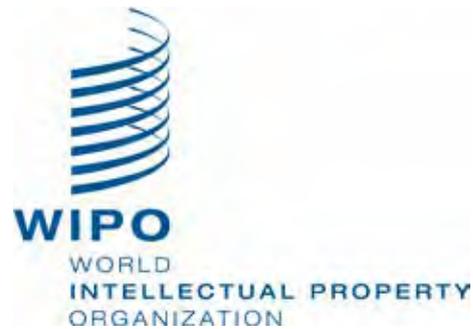

The Office will provide information concerning the availability of the online filing system on its website (www.inapi.cl).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (www.wipo.int/pct-safe/en/certificates.htm)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using the ePCT private services.”

FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS: NOTIFICATION BY RECEIVING OFFICES

LT Lithuania

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 30 November 2012, the **State Patent Bureau of the Republic of Lithuania**, in its capacity as receiving Office, notified the International Bureau, under PCT Rule 89*bis*.1(d) and Section 710(a) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect since 15 December 2012, as follows:

“As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.25 (for sequence listings; see Annex F, section 3.1.1.2, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))
- filing on one of the following physical media: CD-R or DVD-R (see Annex F, section 5.2.1, Appendix III, section 2(e) and Appendix IV, sections 4.1, 4.3 and 4.5)

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)
- WAD (Wrapped Application Documents; see Annex F, section 4.1.1) only for filing on a physical medium

As to electronic filing software (Section 710(a)(i)):

- EPO online filing software
- PCT-SAFE software

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string types of signature (see Annex F, sections 3.3.1 and 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain the mandatory information required under Section 704(a)(i) to (iv).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available. Only currently available means of payment are allowed.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk will be available Monday to Friday (except public holidays) from 9:00 to 15:00 (GMT+2). The help desk may be contacted:

- by telephone at +370 5 278 0254
- by e-mail at martinas.gladysevas@vpb.gov.lt

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (www.vpb.lt).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- EPO customer CA (see www.epo.org/applying/online-services/security/smart-cards.html)
- WIPO customer CA (see www.wipo.int/pct-safe/en/certificates.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

No online file inspection by applicants is provided for at present.”

PT Portugal

Since 7 January 2002, any receiving Office having the adequate technical systems in place is able to accept the filing of international applications in electronic form in accordance with Part 7 and Annex F of the Administrative Instructions under the PCT containing, respectively, the legal framework and technical standard necessary to enable the implementation of filing and processing in electronic form of international applications, as provided for under PCT Rule 89*bis*.1.

On 18 January 2013, the **National Institute of Industrial Property (Portugal)**, in its capacity as receiving Office, notified the International Bureau, under PCT Rule 89*bis*.1(d) and Section 710(a) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form with effect from 25 January 2013, as follows:

Agreement between the Egyptian Academy of Scientific Research and Technology and the International Bureau of the World Intellectual Property Organization¹

Following the publication in the Official Notices (PCT Gazette) of 4 February 2010, pages 33 to 38, of the text of the above-mentioned Agreement as signed on 30 September 2009, the **Egyptian Patent Office** has notified the International Bureau, in accordance with Article 9 of the said Agreement, that it is prepared to start functioning as an International Searching Authority and International Preliminary Examining Authority with effect from 1 April 2013.

The updated Agreement, which is set out on pages 34 to 40, will enter into force on that date.

Pursuant to the decision of the Assembly of the International Patent Cooperation Union (PCT Union) at its fortieth (17th ordinary) session, held in Geneva from 22 September to 1 October 2009, to appoint the Egyptian Patent Office as an International Searching Authority and International Preliminary Examining Authority², that appointment will also have effect from 1 April 2013.

The Office has notified that it will initially operate as an International Searching Authority and International Preliminary Examining Authority only for applications filed with it as receiving Office or for applications filed with the International Bureau as receiving Office by applicants who are eligible to file with the Egyptian Patent Office as receiving Office.

Further information on the requirements of the Office as International Searching Authority and as International Preliminary Examining Authority is given in Annexes D(EG) and E(EG), which are published on pages 41 to 43.

Agreement

Between the Egyptian Academy of Scientific Research and Technology and the International Bureau of the World Intellectual Property Organization

in relation to the functioning of the Egyptian Patent Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Egyptian Academy of Scientific Research and Technology and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Egyptian Patent Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

Article 1 Terms and Expressions

- (1) For the purposes of this Agreement:
 - (a) "Treaty" means the Patent Cooperation Treaty;
 - (b) "Regulations" mean the Regulations under the Treaty;
 - (c) "Administrative Instructions" means the Administrative Instructions under the Treaty;
 - (d) "Article" (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;

- (e) “Rule” means a Rule of the Regulations;
- (f) “Contracting State” means a State party to the Treaty;
- (g) “The Authority” means the Egyptian Patent Office;
- (h) “The International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

Article 4 **Subject Matter Not Required to Be Searched or Examined**

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex B to this Agreement.

Article 5 **Fees and Charges**

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex C to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

**Article 6
Classification**

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate solely the International Patent Classification.

**Article 7
Languages of Correspondence Used by the Authority**

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex D.

**Article 8
International-Type Search**

The Authority shall carry out international-type searches to the extent decided by it.

**Article 9
Entry into Force**

This Agreement shall enter into force on a date to be notified to the Director General of the World Intellectual Property Organization by the Authority, that date being at least one month later than the date on which the notification is made.

**Article 10
Duration and Renewability**

This Agreement shall remain in force until December 31, 2017. The parties to this Agreement shall, no later than July 2016, start negotiations for its renewal.

**Article 11
Amendment**

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the schedule of fees and charges contained in Annex C to this Agreement;
- (iii) amend the indications of languages of correspondence contained in Annex D to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that, for any change in the currency or amount of fees or charges contained in Annex C, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex C, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12 Termination

(1) This Agreement shall terminate before December 31, 2017:

- (i) if the Egyptian Academy of Scientific Research and Technology gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
- (ii) if the Director General of the World Intellectual Property Organization gives the Egyptian Academy of Scientific Research and Technology written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

**Agreement
between the Government of India
and the International Bureau of the World Intellectual Property Organization**

in relation to the functioning of the Indian Patent Office
as an International Searching Authority
and International Preliminary Examining Authority
under the Patent Cooperation Treaty

Preamble

The Government of India and the International Bureau of the World Intellectual Property Organization,

Considering that the PCT Assembly, having heard the advice of the PCT Committee for Technical Cooperation, has appointed the Indian Patent Office as an International Searching and Preliminary Examining Authority under the Patent Cooperation Treaty and approved this Agreement in accordance with Articles 16(3) and 32(3),

Hereby agree as follows:

**Article 1
Terms and Expressions**

- (1) For the purposes of this Agreement:
- (a) “Treaty” means the Patent Cooperation Treaty;
 - (b) “Regulations” means the Regulations under the Treaty;
 - (c) “Administrative Instructions” means the Administrative Instructions under the Treaty;
 - (d) “Article” (except where a specific reference is made to an Article of this Agreement) means an Article of the Treaty;
 - (e) “Rule” means a Rule of the Regulations;
 - (f) “Contracting State” means a State party to the Treaty;
 - (g) “the Authority” means the Indian Patent Office;
 - (h) “the International Bureau” means the International Bureau of the World Intellectual Property Organization.

(2) All other terms and expressions used in this Agreement which are also used in the Treaty, the Regulations or the Administrative Instructions have, for the purposes of this Agreement, the same meaning as in the Treaty, the Regulations and the Administrative Instructions.

Article 2

Basic Obligations

(1) The Authority shall carry out international search and international preliminary examination in accordance with, and perform such other functions of an International Searching Authority and International Preliminary Examining Authority as are provided under, the Treaty, the Regulations, the Administrative Instructions and this Agreement.

(2) In carrying out international search and international preliminary examination, the Authority shall apply and observe all the common rules of international search and of international preliminary examination and, in particular, shall be guided by the PCT International Search and Preliminary Examination Guidelines.

(3) The Authority shall maintain a quality management system in compliance with the requirements set out in the PCT International Search and Preliminary Examination Guidelines.

(4) The Authority and the International Bureau shall, having regard to their respective functions under the Treaty, the Regulations, the Administrative Instructions and this Agreement, render, to the extent considered to be appropriate by both the Authority and the International Bureau, mutual assistance in the performance of their functions thereunder.

Article 3

Competence of Authority

(1) The Authority shall act as International Searching Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international search, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant.

(2) The Authority shall act as International Preliminary Examining Authority for any international application filed with the receiving Office of, or acting for, any Contracting State specified in Annex A to this Agreement, provided that the receiving Office specifies the Authority for that purpose, that such application, or a translation thereof furnished for the purposes of international preliminary examination, is in the language or one of the languages specified in Annex A to this Agreement and, where applicable, that the Authority has been chosen by the applicant and that any other requirements regarding such application as specified in Annex A to this Agreement have been met.

(3) Where an international application is filed with the International Bureau as receiving Office under Rule 19.1(a)(iii), paragraphs (1) and (2) apply as if that application had been filed with a receiving Office which would have been competent under Rule 19.1(a)(i) or (ii), (b) or (c) or Rule 19.2(i).

Article 4
Subject Matter Not Required to Be Searched or Examined

The Authority shall not be obliged to search, by virtue of Article 17(2)(a)(i), or examine, by virtue of Article 34(4)(a)(i), any international application to the extent that it considers that such application relates to subject matter set forth in Rule 39.1 or 67.1, as the case may be, with the exception of the subject matter specified in Annex B to this Agreement.

Article 5
Fees and Charges

(1) A schedule of all fees of the Authority, and all other charges which the Authority is entitled to make, in relation to its functions as an International Searching Authority and International Preliminary Examining Authority, is set out in Annex C to this Agreement.

(2) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement:

- (i) refund the whole or part of the search fee paid, or waive or reduce the search fee, where the international search report can be wholly or partly based on the results of an earlier search (Rules 16.3 and 41.1);
- (ii) refund the search fee where the international application is withdrawn or considered withdrawn before the start of the international search.

(3) The Authority shall, under the conditions and to the extent set out in Annex C to this Agreement, refund the whole or part of the preliminary examination fee paid where the demand is considered as if it had not been submitted (Rule 58.3) or where the demand or the international application is withdrawn by the applicant before the start of the international preliminary examination.

Article 6
Classification

For the purposes of Rules 43.3(a) and 70.5(b), the Authority shall indicate solely the International Patent Classification.

Article 7
Languages of Correspondence Used by the Authority

For the purposes of correspondence, including forms, other than with the International Bureau, the Authority shall use the language or one of the languages indicated, having regard to the language or languages indicated in Annex A and to the language or languages whose use is authorized by the Authority under Rule 92.2(b), in Annex D.

Article 8
International-Type Search

The Authority shall carry out international-type searches to the extent decided by it.

Article 9
Entry into Force

This Agreement shall enter into force one month after the date on which the Authority notifies the Director General of the World Intellectual Property Organization that it is prepared to start functioning as an International Searching Authority and as an International Preliminary Examining Authority.

Article 10
Duration and Renewability

This Agreement shall remain in force until December 31, 2017. The parties to this Agreement shall, no later than July 2016, start negotiations for its renewal.

Article 11
Amendment

(1) Without prejudice to paragraphs (2) and (3), amendments may, subject to approval by the Assembly of the International Patent Cooperation Union, be made to this Agreement by agreement between the parties hereto; they shall take effect on the date agreed upon by them.

(2) Without prejudice to paragraph (3), amendments may be made to the Annexes to this Agreement by agreement between the Director General of the World Intellectual Property Organization and the Authority; and, notwithstanding paragraph (4), they shall take effect on the date agreed upon by them.

(3) The Authority may, by a notification to the Director General of the World Intellectual Property Organization:

- (i) add to the indications of States and languages contained in Annex A to this Agreement;
- (ii) amend the schedule of fees and charges contained in Annex C to this Agreement;
- (iii) amend the indications of languages of correspondence contained in Annex D to this Agreement.

(4) Any amendment notified under paragraph (3) shall take effect on the date specified in the notification, provided that, for any change in the currency or amount of fees or charges contained in Annex C, for any addition of new fees or charges, and for any change in the conditions for and the extent of refunds or reductions of fees contained in Annex C, that date is at least two months later than the date on which the notification is received by the International Bureau.

Article 12
Termination

(1) This Agreement shall terminate before December 31, 2017:

- (i) if the Government of India gives the Director General of the World Intellectual Property Organization written notice to terminate this Agreement; or
- (ii) if the Director General of the World Intellectual Property Organization gives the Government of India written notice to terminate this Agreement.

(2) The termination of this Agreement under paragraph (1) shall take effect one year after receipt of the notice by the other party, unless a longer period is specified in such notice or unless both parties agree on a shorter period.

In witness whereof the parties hereto have executed this Agreement.

Done at Geneva, this twenty-fifth day of September two thousand and thirteen, in two originals in the English language.

DEPOSITS OF MICROORGANISMS AND OTHER BIOLOGICAL MATERIAL: REQUIREMENTS OF DESIGNATED AND ELECTED OFFICES

EP European Patent Organisation

The **European Patent Office (EPO)** has notified additional requirements concerning the deposit of microorganisms and other biological material, as follows:

If the international application was not published in an official language of the EPO (English, French, German), the statement under EPC Rule 32(1) can still be submitted in the European phase until completion of the technical preparations for publication of the translation of the international application under EPC Article 153(4). The fact that the expert option has been chosen will then be published on the front page of the published translation of the application. Information received under EPC Rule 32(1) after completion of the technical preparations for publication of the international application – or, where applicable, of the translation of the application pursuant to EPC Article 153(4) – cannot be taken into account with the consequence that the biological material will be available to any person as provided for in PCT Rule 13*bis*.6 and EPC Rule 33(1) without an expert acting as intermediary (see Notice from the European Patent Office dated 7 July 2010 concerning inventions which involve the use of or concern biological material, OJ EPO 10/2010, pages 498 *et seq.*).

NO Norway

The Norwegian **Industrial Property Office** has notified changes in its requirements concerning the deposit of microorganisms and other biological material, which are now as follows:

The applicant may request that, as from the time when the application has been laid open to public inspection by the Office until a patent has been granted, the application has been finally decided upon without a patent having been granted, or for 20 years from the date of filing if the application is refused or withdrawn, the furnishing of a sample shall only be effected to an expert in the art. The request to this effect shall be filed by the applicant with the Office not later than at the time when the application is made available to the public under Section 33(3) of the Norwegian Patents Act. If such a request has been filed by the applicant, any request made by a third party for the furnishing of a sample shall indicate the expert to be used. That expert may be a person entered on a list of recognized experts drawn up by the Office or any person approved by the applicant in the individual case.
