13.00 TO 15.30

World Intellectual Property Organization

Chemin des Colombettes 34, 1202 Geneva

(5 min walk from Place des Nations and WHA)

Please join
the Roundtable
discussion on the
recent report:

VOLUNTARY LICENSING

RIGHT FOR HEALTH FOR BUSINESS

How voluntary licensing advances
global health while being economically
viable for biopharmaceutical companies.

AGENDA

13.00-14.00 Light standing lunch

14.00-15.30 Roundtable discussion
In-person or online

- Presentation on the report and key drivers that together can generate non-negligible commercial benefits while ensuring access to therapeutics and vaccines in low- middle-income countries.
- Panel discussion with Global Health Actors on the benefits of voluntary licensing and unpacking the drivers and their impact.
